Dear Parents/carers,

Thank you very much for taking the time to complete our survey and for your lovely positive comments. Your support is greatly appreciated. This helps us to ensure that we are doing everything we can to support you during this time. The majority of parents are happy with the communication from the school. Most parents feel that the learning resources/opportunities that the school has offered since the closure have been about right. Overall a positive response which we are delighted with. The survey confirmed that the majority of pupils are accessing Teams on a daily basis. We have therefore taken the decision to post two or three tasks within the assignment function on a daily basis. We hope that this will assist pupils to get into a daily routine. We have also now provided packs to parents and pupils who were seeking these.

Teachers are now holding weekly class video calls via teams and the days/times will be as follows until the end of June:

P1-2: Tuesday 11am with Mrs Lindsay & Thursday 12noon with Miss Eaglesham

P3: Tuesday 12noon with Miss Gordon & Wednesday 12noon with Miss Eaglesham

P4-5: Wednesday 11am with Mrs Blondin

P6-7: Monday 10.30am for quick check in. Thursday 1.30pm catch up with Mr Gregor.

Nurture Group 1: Monday 12 noon

Nurture Group 2: Friday 12 noon

If there is anything else that you would like us to provide, please get in touch and we will try to accommodate this.

We are trying our best to get an update on the status of the P7 leavers Hoodies, however we are unable to get a response. This leads us to believe that the factory is still closed. Please be assured though, that once the hoodies do become available, we will get them delivered to you.

You will still receive a written report for your child in June, the format will be slightly different due to the current circumstances and it will simply be a narrative from the class teacher. This report will not include Curriculum for Excellence levels as they will not have changed from the interim report and phone call parents evening that you received just before school stopped.

We understand that the 'lockdown' and social isolation is a huge challenge and can bring with it stress and anxiety so we are pleased to see from photos on Teams etc that you are all well and managing to keep healthy and happy during this time.

Our team remain dedicated to the care and wellbeing of all and are committed to provide the best service possible. If you need support in any way, please don't hesitate to contact us.

I hope that you continue to stay safe, healthy and happy.

Yours Sincerely

Leeanne Campbell
