

Curriculum for Excellence

What are we learning this term?

Cross-curricular theme: Katie Morag and Places in the World

Class: P2/1

2024-25 Term 3/4

Mrs Meikle

Literacy and English P1 will continue to learn new sounds and some tricky code words. We will continue to work hard on correct letter formation. We will read simple books and use our books to help us write information. P2 will continue to learn to read and write more advanced words. We will read two reading books per week. Our writing will link to our reading books, news and topic. Article 28 	Social Studies Our topic this term will be based around the Katie Morag books. Through play and a variety of activities, we will learn all about life on a small Scottish island. In term four, we learn about different places in the world through our Travel Agents topic. Article: 29 	Health and Wellbeing We will learn about how food gives us energy and the importance of eating a healthy breakfast. We will also learn about dangerous substances such as berries and medicines. We will celebrate everyone being unique. Article: 19 and 2 	Religious and Moral Education We will learn about welcoming a baby in Christianity and Sikhism. We will also learn about some special places that are used for worship. Article 14 
Numeracy and Mathematics P1 will investigate sharing and grouping. P1 will also explore money and investigate 2D shapes and 3D objects. P2 will work on the concept of multiplication. P2 will also explore fractions such as halves and quarters. Working at their own level, P1 and P2 will explore length, height, mass and volume. Article: 28 	Technologies We will practise logging onto the computer and using simple text-handling features to manipulate text. We will use some computer games to enhance our learning. Article: 29, 13 and 17 	Sciences In term four, we will learn about living and non-living things. Article 28 	Expressive Arts We will explore different ways of moving and perform some simple dances to Scottish music. We will explore colours and learn specifically about the primary colours. We will have fun playing in our 'Struay' post office and act out various stories from the Katie Morag books. Articles: 29 and 13 
Additional Information: PE will take place on a <u>Tuesday</u> and <u>Thursday</u> . Please help to keep your child safe by making sure that jewellery is not worn on PE days. We will have fun learning some simple Spanish. Please label all clothing so that it can be returned to your child if it is found. 😊
