

Dear Parent/Carer,

We have received notification that HMIe plan to inspect Muirhead Primary School and EYC during the week beginning 20th November 2023, using the short inspection model (Monday afternoon to Wednesday afternoon). We are looking forward to welcoming our colleagues from Education Scotland and the Care Inspectorate into Muirhead Primary and EYC, as part of our joint inspection. This inspection process will support the school and early years centre in our continuous improvement as well as providing opportunities to share good practice.

Prior to the inspection, the views of parents/carers, as well as those from stakeholders, staff and pupils, will be carried out through an online survey. We would appreciate your feedback prior to the inspection and ask that you complete the following survey before the **10th November**.

Parent/carer of **school pupils** survey address:
