

Subject STUDY GUIDE

Top tips. Useful resources. Brighter futures.

Subject:

Biology & Human Biology

Level(s):

N5, Higher, Advanced Higher

Principal Teacher:

Mrs Paterson

Work hard
Be kind
You can do it!

Top Study Tips

What are your top tips for success in this subject?

Start with the success criteria for a topic, then topic placemat or mind map, then memorise the information before moving on to quizzes or past paper questions.

Rather than reading or copying out exactly what is in your resources to memorise the information, try putting it into a different format, eg a flow chart, mind map, colour-coding condensed notes with diagrams or pictures. Once you have done this for one topic, try not to spend too much time reviewing notes, as you have to apply the information to questions, so try some Achieve quizzes or past papers. 1-2 questions a night from November until the final exam might seem small, but it will really make a difference over time!

Useful Resources

Textbooks, revision guides, class materials etc.

Unit summary notes

Success criteria checklists

Topic placemats

Skills guide

Past paper questions in booklets/on Teams

All PowerPoints, booklet answers and homework exercises are available on Teams

Websites & Online Support

Useful websites, online tools or apps.

<https://achieve.hashtag-learning.co.uk/> - for check tests and quizzes

<https://www.youtube.com/@MrMitchell> - for YouTube videos of lessons

<https://jabchem.org.uk/> - for past papers

Additional Information

Any other advice, support or information that may be helpful.

Use all the information in marking instructions, especially what's in the right hand side.

Stick to the specific wording of your notes and use all clues, hints and information given in the question. The more diagrams and sentences that you find in questions, the chances are that some of that will be required in at least one of your answers.

RESPECT
Everyone matters.

KINDNESS
Small acts, big impact.

RESPONSIBILITY
Own your actions, shape your future

AMBITION
Strive, grow, succeed.

INCLUSION
Stronger together.

Strong Roots, Bright Futures
