Top Study Tips

What are your top tips for success in this subject?

Practise exam style questions - read the questions clearly and focus on building your answer around knowledge points first and foremost.

Work on analysis - develop your knowledge points by identifying the impact, connection and causes related to it.

For evaluation express your view by making a judgement, identify strengths and weaknesses and use them in your opinion.

Create flashcards/mind maps

In Higher Existence of God 20-mark essays - focus on learning these as the question doesn't change.
