Top Study Tips

What are your top tips for success in this subject?

As you go through the year, each Maths topic builds on previous Maths topics. That means, you need to stay on top of things all year round, it can't be left to the last minute.

Make a study plan, agree it with parents / carers and stick to it.

Do all homework, including when we ask you to finish something off.

Useful Resources

Textbooks, revision guides, class materials etc.

The Zeta bookcase is available to all. It will include a useful textbook for your current level of study as well as previous levels.

Past papers are vital! Use your past paper summary sheet and get working!

Websites & Online Support

Useful websites, online tools or apps.
