Below are companies who have recently advertised apprenticeship opportunities. Please click the name of the company to apply.

[Auto Electrician Apprentice](#)

[Ayrshire Road Alliance Modern Apprenticeship](#)

[Arnold Clark Apprentice](#)

[GE Aerospace](#)

[Ernest & Young](#)

Private companies regularly advertise their apprenticeship opportunities on www.apprenticeships.scot/

Public sector apprenticeship opportunities are advertised on

UCAS Deadline

The school deadline for UCAS applications is Friday the 22nd of December.

DYW PSE Insert

On the 2nd of November we had our second senior phase PSE insert of the academic year. This follows the career fair that we held on the 20th of September. On the 2nd we held a DYW PSE event where S4-6 pupils gained further support and advice around the opportunities open to them when they leave school. Thank you to the partners that supported us including SAAS, VASA, UWS, SDS, Voiceability, our Thriving Communities colleagues, Stirling University and Wildpacks. Particular thank you to Developing the Young Workforce - Ayrshire for their continued support and getting so many local employers to help with the mock interviews

RWHB
Agricultural and Industrial Buildings

Not sure about college or university?
 Want to start a career in the real world of engineering?

WE'RE HIRING!

RWHB Ltd are a family run business with over 25 years of experience in the field of steel framed buildings and structural engineering.

RWHB Ltd are delighted to announce that we are recruiting for a Structural Steel Draughtsperson to assist with the preparation of detailed workshop/ site drawing packages.

- Standard Grades not essential but preferred ideally Graph Com and basic mathematics.
- Conscientious worker with excellent attention to detail, well organised, creative and keen to establish a career in Engineering.
- Reliable, good work ethic and motivated towards career goals
- There are no public transport links to our office, the Candidate is responsible for organising their own transport to and from the office.

We are offering full time employment, and an opportunity to develop skills in leading CAD Modelling software in a rewarding and well respected line of work

Work Placement

Last month over 70 pupils attended work placement. Work placement is an invaluable experience which provides pupils with an amazing insight into the world of work. Our programme at QMA targets pupils for work placement who will leave school at the end of this academic year. If you have not been on work placement but think you may leave this year then please see Mr Oates to access a work placement.

Skills of the Month

Each month we have Skills of the Month which come from our Let's talk Skills framework. This skill will be focused upon during learning and teaching and the importance of it will be highlighted to our pupils. For November our focus will be:

SELF MANAGEMENT

- Motivation
- Organisation
- Time management
- Self-awareness
- Resilience

LET'S TALK SKILLS

- GREEN: RESPONSIBILITY AND ENTERPRISE
- ORANGE: COMMUNICATION
- RED: TEAMWORK
- PURPLE: PERSONAL EFFECTIVENESS
- YELLOW: SOCIAL TRAINING
- BLUE: EMPLOYABILITY
- GREEN: DIGITAL LEARNING
- ORANGE: INDEPENDENT LEARNING
- RED: PERSONAL EFFECTIVENESS
- PURPLE: TEAMWORK
- YELLOW: COMMUNICATION
- BLUE: RESPONSIBILITY AND ENTERPRISE

More information on all of the above is located on the DYW Virtual Noticeboard on MS Teams.
