Dear Parent/Carer

The International Ayr Show - Festival of Flight

As you may know, The International Ayr Show Festival of Flight is returning to Ayr shorefront from this September. In the run up to this South Ayrshire S2 pupils have been invited to attend STEM workshops at Prestwick airport.

The trip will take place on **Monday 2nd September**. Pupils will leave QMA at 9am and return just before the end of the school day. Pupils should wear school uniform and bring a packed lunch, if they receive a free school meal then a packed lunch will be provided for them.

The format of workshops will include input from RAF, Royal Navy, careers and sector specific activities from local aerospace industries and partners including: Mangata, Collins, Ryanair, NATS and Ayrshire College.

The workshops may be subject to change, the aerospace companies are working to deliver a combined approach which will include skills and career information and the opportunity for pupils to speak with individual companies and find out more about their recruitment and employment needs.

We only have space for 80 pupils due to the capacity of the venue. Places will be issued on a first come, first served basis.

If there are any changes to the information you submitted on your annual consent form please inform the office at Queen Margaret Academy as soon as possible, so that records can be updated.

If you have any questions about the day, please do not hesitate to get in touch.

Yours faithfully

Connor Oates
