Dear Parent/Carer

Careers Fair – Tuesday 17th September 2024

All pupils from S4-S6 will attend a Careers Fair in the school on Tuesday 17th September. Each pupil will attend for 50 minutes and will be able to engage with partners they find most relevant to their future aspirations.

To ensure these conversations are purposeful and drive these interactions my hope is that you will engage your child on what types of questions they should ask, what aspirations they should have and who they should be speaking to. I have included below a list of partners who have confirmed their attendance, so you are able to reference these partners during your conversation.

If you have any questions, please do not hesitate to contact me.

Attendees

Active Schools	Bernardo's	Edinburgh Napier	Glasgow City College	Lowmac Alloys	NHS Ayrshire & Arran	SAAS	Storm Aviation	University of Strathclyde
