Dear Parent/Carer

### 2024-2025 Supported Study

We are approaching supported study in the most flexible manner possible this year. Experiences during previous sessions have allowed departments to adapt their model to suit the needs of our young people and maximise engagement. Please discuss this with your child and emphasise the importance of attending supported study. The attached outlines our model for the full year. We will issue a monthly breakdown of support study with exact dates (if not detailed on the schedule attached) as we progress through the remainder of the academic year.

Most sessions run after school (unless stated otherwise on the attached timetable). Pupils must arrange their own transport home or make use of the free bus travel on offer using the NEC Young Scot Card.

We are also delighted to launch our study cafe. This will start on Monday 28<sup>th</sup> October during lunchtime in the ICT labs. The cafe is open Monday to Friday, during lunch. It will have staff supervising and supporting young people with their study. The cafe will also have access to past papers, textbooks, revision notes and study stationary for each subject and level we offer. Students can also access ICT to support their study. I would urge as many students as possible to make use of this resource. Students are permitted to eat their lunch in the study cafe (not at the computers, however).

I have also included information on the e-sgoil study provision, BBC Bitesize and Achieve resource. In all, this is an excellent combination of support which will ensure our young people meet their full potential in the upcoming SQA exams.

If you have any questions, please do not hesitate to contact the school.

Yours faithfully

Oonagh Browne  
Head Teacher
