Dear Parent/Carer

The 2025/2026 started on **Monday 20<sup>th</sup> January**. This is a very important stage in your child's education and pathway planning. I have summarised the processes and supports in the tables below. Please do not hesitate to contact your child's Guidance teacher or Year Head if you have any questions. Your child can also book a careers appointment (SDS) at any point, using the QR code below.

Please note, your child's final options should be added to the system, using the appropriate link below, by the end of day **Friday 14<sup>th</sup> February 2025**.

If your child is applying for a school college course, please make sure this is discussed with his/her Year Head during the option interview.

Mr McGeough will support students with the college applications after the 14<sup>th</sup> February.
