Dear Parent/Carers

### **Help shape education in South Ayrshire: Consultation on our 2026-2029 Education Services Plan**

South Ayrshire Council is developing its new Educational Services Plan for 2026–2029 and we want to hear from you.

This plan will set the priorities and improvements for education and schools across South Ayrshire over the next three years. It will influence the work of Education Services and how we best support children and families - not only in individual schools, but across the whole system.

Your views as parents and carers are essential. Your feedback will help us build on what is working well and focus improvement efforts where they will make the biggest positive difference.

We are inviting all parents and carers to complete a short online consultation survey. Your responses will support us in developing our 2026–2029 Educational Services Plan.

Please use the link below or scan the QR code to take part. The survey will remain open until 22 May 2026.

Thank you for taking the time to share your views.

Yours faithfully
