

# Our School Improvement Plan 2025-26

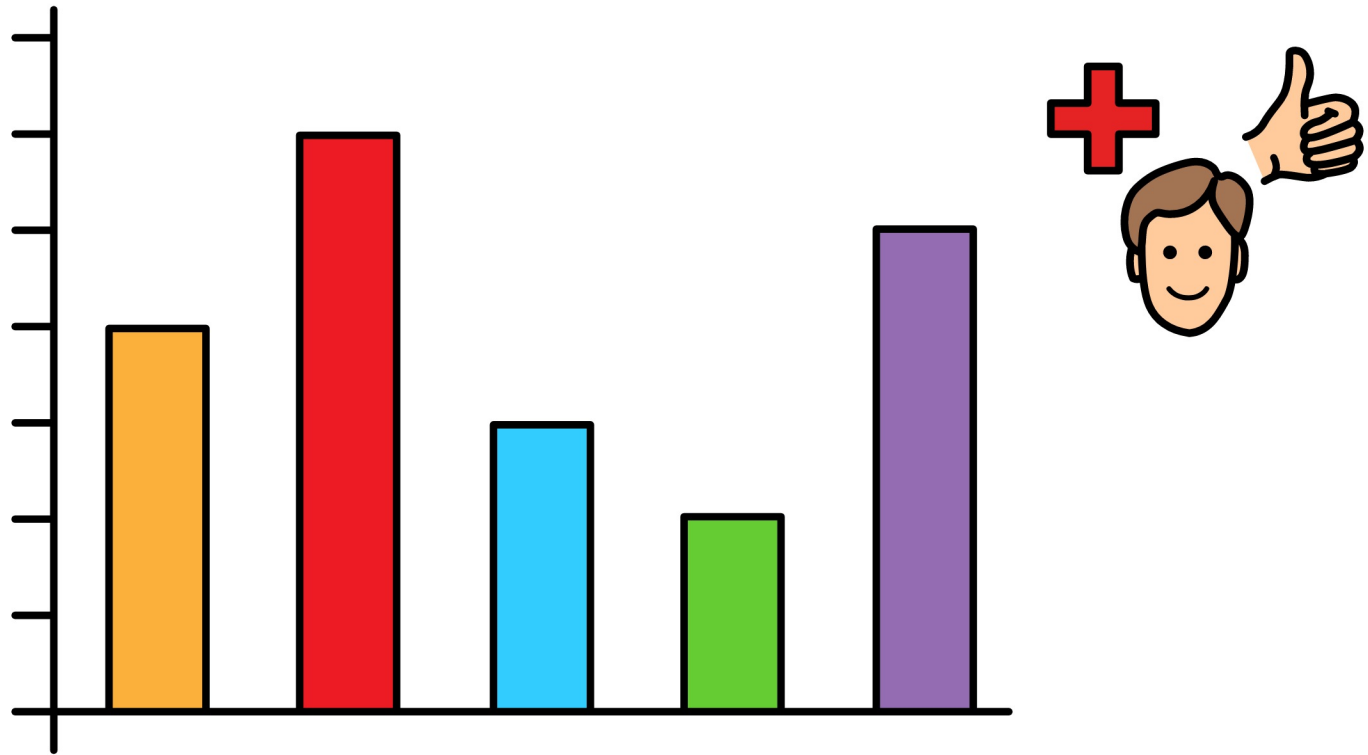

To ensure robust, effective and respectful communication for all, including extending our SCERTS pilot and gaining further Communication Friendly badges.

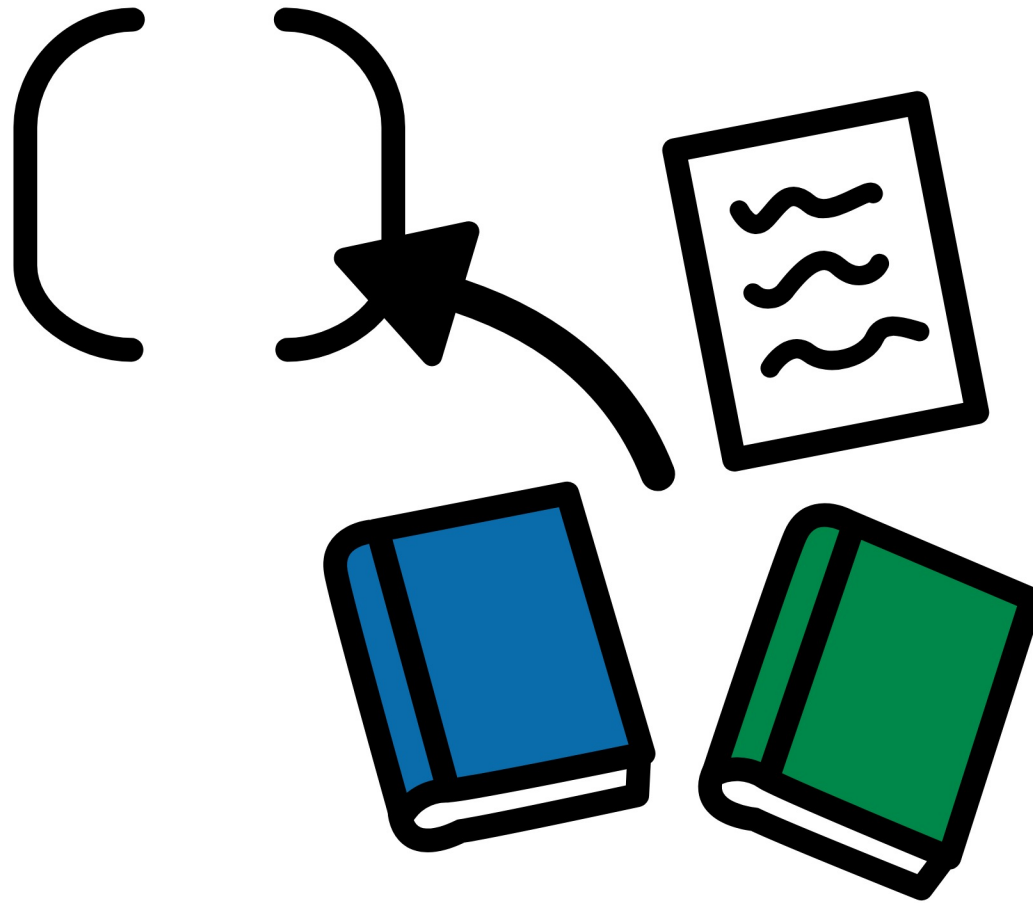

To gain the Gold Rights Respecting Schools Award.

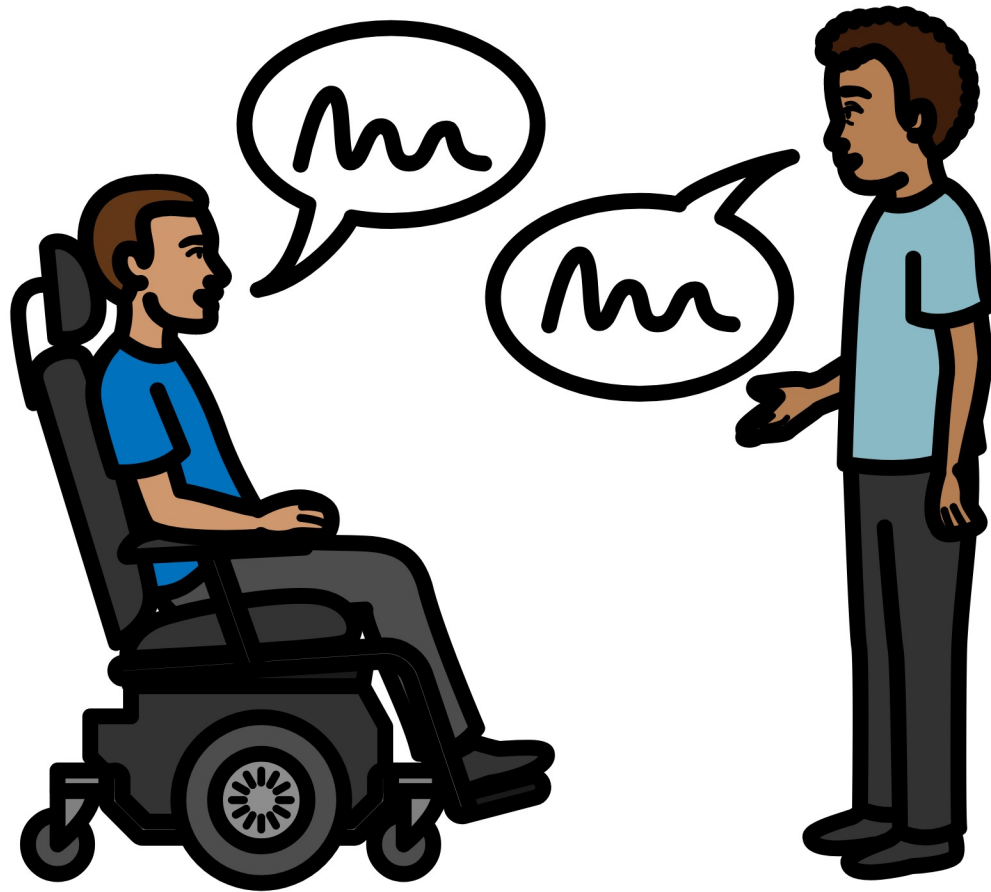

To achieve our next Green Eco Flag and to develop  
an eco curriculum.

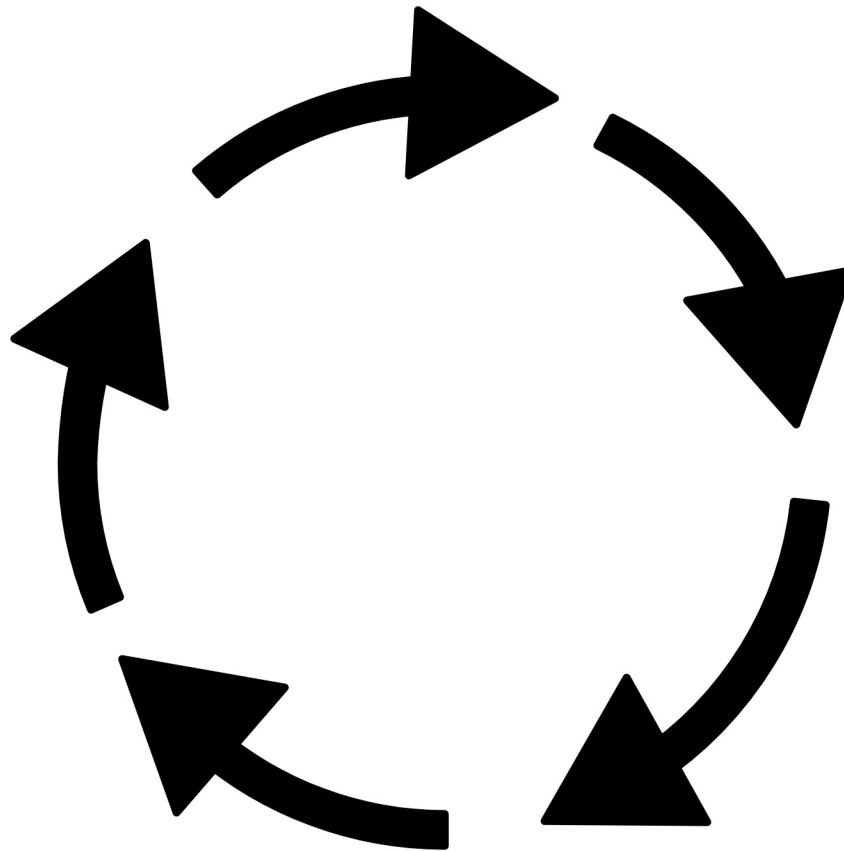

To complete Boxall profiles for all secondary pupils.

To explore and review the curriculum across the school considering the changing needs of our learners.

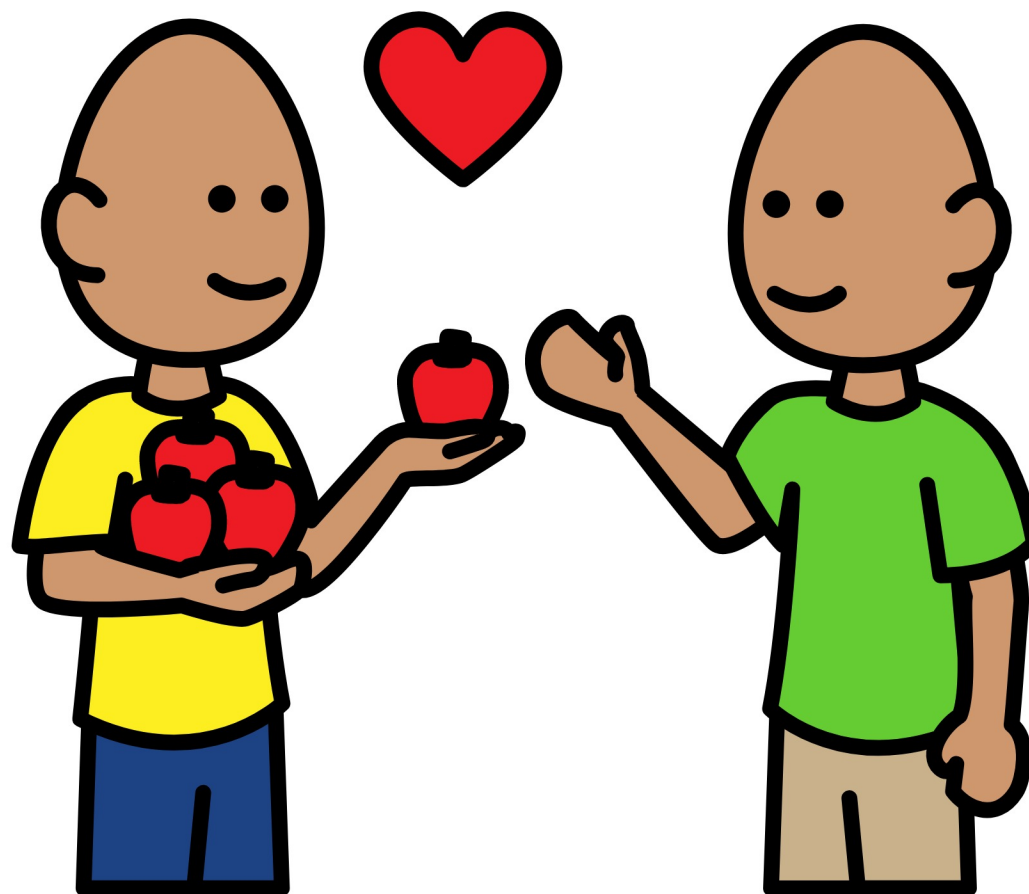

To develop supports and approaches to increase active engagement of all learners in classes.

To continue to embed consistent moderation processes.

To enable staff to share practice and discuss ideas  
to increase shared understanding.
