

Welcome to Space Place Early Years Centre

Soon you will be coming to nursery.
When you arrive here is where you can
hang up your coat and bag. 🎒

This is our playroom. We have lots of exciting places to play.

We have a cosy home corner.
You can pretend to cook, dress
up or snuggle up on the couch.

We have blocks and cars to play with, and cosy spaces to rest.

We love to play outdoors.
We play in the garden and
we go for lots of walks!

This is our lovely family room. We enjoy some quiet time in here and our grown ups can use it for a tea or coffee!

This is our sensory room
that we like to visit some
days. We can't wait to
meet you soon!
