

# Welcome to Space Place Early Years Centre

Soon you will be coming to nursery.  
When you arrive here is where you can  
hang up your coat and bag. 🎒

This is our  
playroom. We  
have lots of  
exciting places  
to play.

We have a cosy home corner.  
You can pretend to cook, dress  
up or snuggle up on the couch.

This is our construction area. You can build with blocks, play with cars or explore our jig saws

These are our creative areas. You can paint, make lovely pictures or play with clay and play dough!

This is our snack and lunch table. You can help yourself to tasty snacks and enjoy a chat with friends.

We love to play outdoors.  
We play in the garden and  
we go for lots of walks!

We love our big slide!

This is our lovely family room. We enjoy some quiet time in here and our grown ups can use it for a tea or coffee!

This is our sensory room that we like to visit some days. We can't wait to meet you soon!
