Family and Community Book Bug Sessions 2025-2026

In Space Place Early Years Centre, we promote book bug groups with children, families and the community and we have a skilled trained staff member – Lorna who delivers in the centre alongside Nicola our family learning worker. Book Bug is Scotland's universal early years book gifting programme which supports families to read, sing, and play with their little ones from birth to give them the best start in life. We hope you come along and enjoy our time together, having fun with singing and stories to.

Block 1 Book Bug	Block 2 Book Bug
