Pupil Voice Groups

We have begun our exciting Pupil Voice groups this session, with pupils choosing from Equalities, Health, Eco Schools, Faith in Action, Library Group, Digital and Global Citizenship. Running alongside these is our Rights Respecting Schools steering group. Through these groups, children have valuable opportunities to contribute to school improvement and make a positive impact on their school community. Our pupils are developing as responsible citizens, effective contributors and confident individuals while making meaningful contributions to school life. They're building important leadership, collaboration, and decision-making skills as they work together to create positive change that benefits everyone. These Pupil Voice Groups are running across both the P1-4 and P5-7 departments, allowing for greater opportunities to work in partnership with each other.

Pupil Voice Group	Teacher
Eco Schools	Mrs Bowie / Mrs Caddis
Digital / ICT	Miss Tolland / Mrs Hunter
Library Group	Ms Mack / Mrs Rodgers
Equalities	Miss Pryce
Health	Mr Mullan / Miss Scullion
Faith in Action	Miss McKeown / Miss Slider

Attendance Pupil Voice Group

Introducing our new attendance pupil voice group of session 2025/2026. Huge well done to Amelia, Orla and Chaviva who applied and were successful as the new attendance champions and will be leading the group every week. They have already been hard at work starting to organise next term's attendance initiatives. #EveryLearnerEveryDay
