## COLLECTIVE RESPONSIBILITIES

The Health & Wellbeing Across Learning: Responsibilities of All Experiences and Outcomes within Curriculum for Excellence, alongside the GIRFEC wellbeing indicators, summarises how practitioners, pupils, parents and communities must work | together in protecting and promoting children's rights, wellbeing and safety. This includes helping children develop in their ability to keep themselves and others safe; and helping them learn how to get help and support if they need it.

All adults will:

- Undergo stringent safe recruitment procedures, including PVG checks
- Have ready access to appropriate, relevant and up-to-date guidance, which tells them what action to take if they are concerned about a child or young person's wellbeing, welfare and safety
- Be trained to help them understand what, how and when to report and share information to keep children safe, and be able to do so (annually in person and on Coast)
- Be clear that a guarantee of absolute confidentiality cannot ever be given to a child or young person
- Cooperate fully with other partner agencies.
- Have appropriate support from Child Protection Coordinators, Named Persons, Lead Professionals and Line Managers, when they are concerned about a child or young person.
- Take action to respond to disclosures, allegations, suspicions or incidents of abuse:

### **ADULT TOOLKIT (READ AND SHARED WITH ALL ADULTS WITHIN THE SCHOOL)**

- ✓ Stay calm and reassuring
- ✓ Observe carefully the child or young person's behaviour and demeanour
- ✓ Listen to what the child says without shock or disbelief
- ✓ Do not apportion blame, make any suggestions or ask any questions
- ✓ Allow the child to talk freely
- ✓ A guarantee of secrecy or confidentiality must not be given to the child
- ✓ The child must be told that the Child Protection Coordinator (CPC) will have to be informed
- ✓ Stress that it was the right thing to tell
- ✓ Explain what has to be done next and who has to be told
- ✓ Record facts immediately afterwards using the exact words spoken; these should be signed and dated
- ✓ Report suspicions or disclosure immediately to the Child Protection Coordinator.

## CHILD PROTECTION COORDINATORS

The Child Protection Coordinators require appropriate levels of awareness, knowledge and skills within an establishment. These include recognition of neglect, mental health problems, parental alcohol and drug use, under-age sexual activity, child sexual abuse and exploitation, honour-based abuse, forced marriage, female genital mutilation and bullying.

The Child Protection Coordinators (CPC) have both general and particular responsibilities with regard to child protection, including to:

- Record in detail what the staff member has seen and heard and when
- Any signs of physical injury should be described in detail or sketched
- Co-ordinate action within the establishment in relation to specific children about whom concerns have been raised;
- Liaise with other agencies, (e.g. Police, Social Work, Children's Reporter, Health staff)
- On general issues relating to child protection
- Support investigations, Court proceedings, Children's Hearings and case referrals or Significant Case Reviews
- Listen and respond to general concerns raised by staff, children, young people and parents or carers in relation to child protection
- Organise staff briefings and training on child protection and wellbeing, for the 'Specific Contact Workforce' in accordance with the [National Framework for Child Protection Learning and Development in Scotland, Scottish Government](#)
- Oversee the planning of any curricular provision designed to give children the knowledge and skills to keep themselves safe from all forms of abuse
- Ensure accurate record keeping of all information, related to a child or young person's wellbeing and protection is carefully recorded using a chronology of significant events, together with relevant documentation
- Ensure child protection files and all confidential sensitive and personal information are securely stored in accordance with up-to-date File Management Guidance and the [Data Protection Act 2018](#) and the [General Data Protection Regulation](#)
- Ensure that all child protection chronologies are reviewed at least once every term; and whenever possible, attend all Child Protection, multi-agency meetings and Children's Hearings or delegate the Named Person to do so
- Even when no formal referral has been made to the Health and Social Care Partnership, education notes should be kept in a confidential record in Pastoral Notes on SEEMiS and if relevant an Ayrshare record created

## CONFIDENTIALITY

All staff understand that child protection issues warrant a high level of confidentiality, not only out of respect for the child and staff involved but also to ensure that information being released into the public domain does not compromise evidence. Staff should only discuss concerns with the designated CP Co-ordinators.

CP Co-ordinator – Jacqueline McPeake (HT)

CP Co-ordinator – Nicola McNicol (DHT)

## RECORDS AND CHRONOLOGIES

In St Ninian's Primary, Child Protection (CP), Looked after Child (LAC) or Additional Support Needs (ASN) files must be securely stored separately from a pupil's Educational record (PPR), and clearly labelled on the front as, "Confidential" LAC, ASN or Child Protection' with the child's full name and date of birth. A chronology should be at the front of the file and separate sections should be kept to make for easy access to relevant reports. Should this information require to be shared on a multi-agency basis an AYRShare record should be created. In addition, electronic pastoral notes will be held within SEEMiS.

## ST NINIAN'S PRECAUTIONS

### Campus Security

Our school has secure entry; visitors are required to sign in and out, wear visitor badges, are monitored whilst on the premises and never left alone with children.

Break times and lunch times are monitored by staff to keep children safe and monitor any visitors to the school grounds during these times.

### Restraint and Seclusion

St Ninian's promotes good practice in ensuring all young people are safe and protected within a nurturing environment where any additional support needs are well understood and provided for by:

- ✓ Promoting positive relationships, behaviour and wellbeing;
- ✓ Minimising the use of restraint and seclusion and eliminating their misuse.
- ✓ Ensuring young people's rights are understood, respected and taken account of in all decisions around the use of physical intervention.

### Intimate/Personal Care

Children's dignity will be preserved, and a level of privacy given.

There are no regulations that indicate that a second member of staff must be available to supervise the nappy changing process or personal care to ensure that abuse does not occur; however, where possible, we do ask that staff leave doors open or work in pairs to ensure that they do not leave themselves vulnerable.

## Volunteers

Any parent or other person/organisation engaged by the school to work in a voluntary capacity with pupils will be subjected to all reasonable vetting procedures and a disclosure undertaken.

Volunteers supporting on school trips need not be disclosed; however, they should not be left unsupervised with children at any time. Volunteers will be subject to the same code of conduct as paid employees of the school.

## **ALLEGATIONS AGAINST STAFF MEMBERS**

Where an allegation is made against a member of staff, it must always be taken seriously, and the principles and procedures outlined in this policy must always be followed:

- The person receiving the allegation must inform their line manager or Child Protection Coordinator, who will inform the Director of Education
- Upon receiving the information, the Director of Education will take any necessary action, which may include informing the Police and Social Work services
- Where the allegation is being made against the line manager, Head Teacher or the Child Protection Coordinator, the member of staff receiving the allegation must directly inform the Director of Education.

The Director of Education will advise the Head Teacher or Centre Manager, on any decisions:

- Whether to remove the member of staff from direct access to children and young people
- Suspend the member of staff
- Inform the parents or guardians of the child or young person concerned
- Inform the parents of all children and young people, with whom the member of staff has come into contact and to inform the children's reporter, where it is known that the child or young person is 'looked after' and is alleged to have been abused
