Dear Parent/Carer

I cannot believe we are at the end of the school term already!

This year has been filled with lots of fabulous achievements and successes. As we look towards Friday we are filled with excitement but also a little sadness. Mrs Tonner will be retiring on Friday after many years of teaching namely 30 years at St Patrick's Primary. To celebrate this we will give Mrs Tonner a presentation at 10am Mass and then we invite everyone to come back to the school for a cup of tea or coffee. Please if you can come along and say a farewell to our longest serving staff member.

It is also with great sadness I announce that Mrs Corti will be leaving us as she has secured a post as an Early Years Practitioner at Cherrytrees Nursery in Ayr. I would like to thank Mrs Corti for all her hard work and dedication to the school. We wish her the best of luck in her new employment.

We wish Mr and Mrs Gardiner the best of luck as they await the arrival of their precious bundle of joy. We look forward to meeting the newest member of their family after the holidays. Miss Gemmell will be taking up post in August to cover Mrs Gardiner's Maternity Leave. We hope Miss Gemmell enjoys her time with us at St Patrick's as Primary 5 teacher.

I look forward to seeing you on Friday but if you are unable to make it I wish you a safe and sunny summer holiday and will see you all back again in the new school session on Tuesday 20<sup>th</sup> August at 9am.

Sincerely

A handwritten signature in cursive script that reads "Lynsey May".

Lynsey May  
Head Teacher
