

St Patrick's Primary 2

Week beginning 18.05.20-29.05.20

Literacy		
Reading	Phonics / Spelling	Writing
We are learning to identify key information in texts and arrange the words into alphabetical order.	We are learning to read/spell words with "ou" in them. ("ou" as in cl-ou-d)	We are learning to write a short story using story pictures.
<p>Task:</p> <ol style="list-style-type: none"> From your Bug Club books or books at home find 8-10 important words that you can read and write these down. Now can you say the alphabet aloud and write the letters down. Now by looking at the first letter of each word, and using your alphabet to help you, can you write down your words into alphabetical order? 	<p>Task:</p> <p>This week, for a change, I have put your spelling words into Sumdog as Spelling Practice. Log onto your Sumdog.com account and once you are in click Spelling-Tasks and the "ou" activity should appear. This will be available from Mon 10.00am - Friday 10.00am.</p>	<p>Task:</p> <p>Go to the Story writing frames sheets and choose ONE story to develop. Remember to start your sentences with: One day, morning, evening.. First, Next, After that, Unfortunately, Luckily, Finally. Found in General-Class Materials-Writing Frames.</p>
Numeracy and Maths		
Mental Maths	Core Numeracy	Mathematics - Additional Challenge
We are learning to understand that there is a link to "doubling" and multiplying by 2. e.g. $2+2=4$ so double $2=4$, 2 "sets of" $2=4$ or $2 \times 2=4$	We are learning to apply strategies for multiplication facts for 2. e.g. repeated addition and grouping.	We are learning to recall our times table facts with increasing speed and accuracy.
<p>Task:</p> <p>There are some Doubling Challenge Cards in General-Files-Numeracy/Maths folder. If it's easier, you could print these off or you could just view them on the laptop.</p>	<p>Task:</p> <p>Complete the Multiplication Task sheet in General-Files-Numeracy/Maths.</p> <p>If you have not done so already, start the Multiplication section in your STM 2 workbook- Multiplication/Division -the first 3/4 pages.</p>	<p>Task:</p> <p>I have created a times Table Challenge in Sumdog for you <u>after</u> you have learned the facts for the 2 times table. Log onto Sumdog and then click Maths and Task. It should be available from : 18.05.20 at 10am-29.05.20,10am. Good Luck!</p>

RE	Interdisciplinary Learning	Health and Well Being
<p>We are learning about the story of the Visitation (Luke 1:39-56) and about how Mary gives us an example of trusting in God.</p>	<p>We are learning to understand what a Savannah is and learn some facts about elephants and lions.</p>	<p>We are learning to develop skills and techniques and record our level of performance and fitness.</p>
<p>Task: Watch -An Angel visits Mary: https://www.youtube.com/watch?v=a1b8szsomzA This is a short clip of the story of the Visitation. We think about Mary's complete trust in God, that despite feeling frightened and afraid she knew that God would look after her. Sometimes we feel afraid, we don't know how things will work out, with no school and not being able to see our friends. Could you make up a short prayer to God asking him to stay close to you, so like Mary you are able to trust Him and be at peace at this time.</p>	<p>Task: Click on "Content Library" in Class Notebook area to access the learning for The Carnival of the Animals-week 4.</p>	<p>Task: For the next eight days try to keep a Sports Diary and enter an activity which you do every day to develop your skills and fitness. I have uploaded an Activity Diary, Football skills ideas and Athletic tasks into General-Files-Class Materials for you to access.</p>

Diary Entry
What did I do today?

Monday
