

Monday 25th January 2021

Morning Challenge- click on the link in the virtual classroom.

Online Activities- Sum dog - I have set up some grammar and numeracy activities for you to work through.

Literacy- This week we are going to take a break from our regular literacy activities and are going to focus on Scots Language based activities in celebration of Robert Burns.

Spelling- Burns Thesaurus Scavenger Hunt- use a thesaurus to find synonyms for the Scottish words found on your worksheet.

Synonyms are words with the same or similar meaning:

- Words such as happy, cheerful and merry.
- Words such as sad, miserable and heartbroken.

I have added a video clip to our virtual classroom to help if you are still unsure about synonyms.

<https://www.bbc.co.uk/bitesize/topics/zfkk7ty/articles/z8t8pbk>

Reading- I have uploaded 3 poems onto assignments. Take a look at the poems and choose the one you are going to learn (if you have a different poem in mind then please feel free to use this).

Work on reciting your poem with actions and expression. If you want to choose 'To a Mouse' but feel like it is too long for you then please feel free to learn the first 3/4 verses.

If you like you can ask someone at home to film you reciting your poem and send the video to me. I will also create a channel next week for you to upload your videos if you wish to share it with the class.

DEAR (Drop Everything and Read)

- **R.E. L.I-** I am learning about What life was like for Jesus? (Continued from last week)
- **Over the next 2 weeks you are going to Research:**
- Village life
- Housing
- Education
- Food
- Roman Occupation and the Roman Army
- The Synagogue
- The role of the Sanhedrin: High Priest, Pharisees and Saducees, Rabbis
- Employment - focus on shepherds, fisherman, carpenters and tax collectors in particular
- Pilgrimage to the Temple
- The Role of Women
- Shabbat

You can present the information you find in any way you like. Some ideas might include a detailed poster, power point, booklet, report or a short video clip. You can draw pictures, make models, try out recipes, write information- the choices are endless.

This will be your R.E work for the next 3 weeks. If you would like to share your findings with me as you go along then please do, otherwise I will see your finished product by Friday 5th February.

Numeracy - Live lesson 11.40am-12.30pm

Multiples, factors and primes.

P.E.- Joe Wicks (Link in virtual Classroom)

Art- The Little Art School
