- Developing our curriculum
- Self Improving Service

National Improvement Framework Priorities

- Placing the human rights of every child and young person at the centre of education
- Improvement in children and young people's health and wellbeing
- Closing the attainment gap between the most and least disadvantaged children and young people
- Improvement in employability skills and sustained positive school leaver destinations for all young people
- Improvement in attainment, particularly in literacy and numeracy

INFLUENCING OUR VISION

ICEA Report

- The ICEA recommends:
 - redirecting energy away from overly complicated outcomes and narrow-focused assessments.
 - empowering teachers to engage in inspiring local activities with a skills focus.

Ken Muir Report

- Remove SQA and reform assessments with a wider focus on the totality of the curriculum - children at the centre!
- Redistribute control and influence to genuinely empower schools and communities where learners' voices are central to decision making.

Curriculum Improvement Cycle

- The CIC emphasizes the importance of connecting the curriculum to the needs of industry and the wider world, ensuring that young people are equipped with the skills and knowledge they need for future success.

Parents & Staff

- 100% of staff find it rewarding to work at Straiton Primary, and feel that the school vision and values underpin their work.
- 100% of parents strongly agree that the school helps their child to become confident.
- 100% of parents are satisfied with the quality of learning.

Our Children!

- Words most chosen by pupils to describe their school experience - Happy, Creative and Good.
- Improved attainment.
- Pupil Council and Groups shape the direction of travel for school improvement.
- What we see EVERY day.

SESSION AIMS

Mental Health

- Continue to build a culture of positive wellbeing through all our interactions, using the school's values to frame these interactions.
- Develop a bank of wellbeing interventions and support strategies that all staff can access to support each other and the pupils.

Opportunities for personal achievement

- The children will have many opportunities for personal achievement through participating in rugby, music, cultural and other events.
- Wider achievements will be celebrated on a fortnightly basis at our achievement assembly, through Seesaw and the new My World of Work profiling tool at the upper stages.

Continue to embed our school values and drive forward our vision of creating a culture of thinking, a culture of wellbeing and a love of learning, across the school community.

Rights Respecting Schools

- This session we begin our journey towards the Right Respecting Schools Gold award.
- We will look to give our pupils an even greater voice, not only with regards to school decisions, but those made for the benefit of the wider community.

Community-based Learning

- Children will continue to develop skills through working with community groups and businesses throughout the year.
 - Balbeg
 - The Buck Cafe
 - Straiton Stores
 - Blairquhan Estate

- To indicate improvement in the learning experience using feedback from a group of learners.

STEM

- Continue to provide contextualized learning experiences to prepare children for the world of work.
- Use the SSERC planners and TAPS resources to plan exciting Interdisciplinary Topics.
- Enhance CPA approaches across the whole school. in line with the meta-skills and the world of work.

South Ayrshire Reads

- Deepen understanding of phonological awareness, phonics, fluency and vocabulary.
- Developing writing through South Ayrshire Reads strategies.
- Consider the use of writing as part of interdisciplinary learning.

Digital Technologies

- Aim to receive Digital Schools Award through modelled learning from Kirkmichael Staff.
- Develop the skills and knowledge of our young people to use a variety of technology safely.

This will take the form of Block Play, Outdoor Learning and Play Based Learning, and relate to key areas of literacy, numeracy and health and wellbeing.

Realising the Vision

"As I look at my life today, the things I value most about myself – my imagination, my love of acting, my passion for writing, my love of learning, my curiosity – all come from how I was parented and taught. And none of these qualities that I have mentioned – none of these qualities that I prize so deeply, that have brought me so much joy, that have brought me so much professional success – none of these qualities that make me who I am...can be tested"

Matt Damon, 2011
