Term 2

Welcome Back

We hope you all had a relaxing October break and are ready for a very busy and fun term 2!

Here is a snapshot of what we will be covering in class.

Learning @ Home

The first block of homework will begin on **Monday 30th October** with a hand in date of: **Friday 17th November**

Our motto is "Little, but often" - it is best to do small amounts regularly to keep your child interested and engaged.

Your child will bring home a reading book each week. We ask that you please ensure that your child brings their book back to school with them **every day**. Please read our homework guide for more information.

Health and Wellbeing

This term we are going to focus on Growth Mindset and the Importance of Sleep.

Our PE days will be Mondays and Thursdays. It is important children bring a change of clothes to allow them to move freely around the gym hall. This term we will focus on Dance. As the hall will be used for nativity rehearsal some of our PE will be in the form of outdoor playground walks/games.

Literacy

Reading – In class we will be reading 'Winnie the Pooh' as our class novel. Through this book we will discuss Character, Setting, Main Events and Questions. We will continue to read our banded reading books and apply our understanding of the text through follow up activities in groups, pairs and individually.

Phonics – We will continue to follow new sounds for each stage every week. Spelling will consist of active and written tasks and common words will be tested at the end of the week.

Writing – Our writing days will be on a Wednesday and we are very lucky to have both teachers in for this. We will begin a new Talk for Writing unit which the children will learn to internalise using actions.

Interdisciplinary Learning (Topic)

This term we are starting off with a science topic; Plants and Ecosystems.

After that we will learn about the Jewish festival of Hanukah.

Finally, to round off Term 2 we will be getting into the Christmas spirit by reading The Snowman!

Numeracy & Maths

During Term 2 we are planning to cover:

- Number Processes
- Time/Calendars
- Symmetry

We will use a variety of active and written tasks to help embed the taught skills.

Nativity

Primary 2 as a year group will join Primary 1 for our infant nativity. Primary 3 will remain in class with their teacher and will continue to work in line with the curriculum.
