

Primary 5/4 Curriculum Flyer

Starting our second term. Welcome to Primary 5/4!

We will be working hard in the coming weeks to ensure pupils feel safe and happy on their return from the holidays. With a new topic we have an exciting term ahead of us in primary 4/5. Set out in this flyer is a plan for the second term although this will be subject to changes as we respond to our learners and their needs.

Learning @ Home

Pupils should complete their homework tasks in their set homework jotter. This should be kept within a homework wallet. Each pupil will be provided with a paper copy of the homework diary each week. Homework will work on a four-week rotation consisting of three weeks Literacy, Numeracy and IDL and one week of a Health and Wellbeing Focus. **Jotters will only be collected and marked on Week Four.**

Health and Wellbeing

As a school, we will be continuing our whole school nurturing approach. This will focus on expressing our feelings and emotions and understanding the feelings of others, as well as recognising them in others. All of which underpins our school values as a Rights Respecting School.

P.E. – Our P.E. days are Wednesday (with Mrs Love) and Friday. Please ensure that your child comes prepared for P.E. Kits can be left in school if this is helpful to you and your child.

Swimming – P5 will have swimming on a Thursday morning so please ensure that your child is equipped with everything they need for swimming.

Dance – P5 also have the opportunity to take part in dancing on a Tuesday morning. Please ensure your child brings a change of shoes.

Miss Brown

Term 2

Numeracy & Maths

During Term 2 we are planning to cover:

- Patterns and relationships.
- Multiplication and division.
- Money.

We will be utilising both the classroom and outdoor spaces to support and extend learning.

We will be continuing our active maths rotation stations every Tuesday to reinforce prior knowledge and build understanding on new topics through active tasks.

Literacy

Reading – Primary 5/4 will be reading ‘a place called perfect’ as their class topic. Pupils will continue to work on reading books and explore short novels. We will continue building decoding skills, fluency and comprehension.

Phonics/Spelling – Primary 5/4 will be working through our Struthers Primary School phonics and spelling programme.

Writing – This term we will be continuing our focus on a block of Talk for Writing, where we will continue developing skills we can use to up-leveiling our writing using a variety of writing techniques. Pupils will be supported and encouraged to develop their writing skills by getting the opportunity to write in a range of genres. We will focus on writing planning, structuring ideas in a logical order and adding interesting and exciting vocabulary.

Interdisciplinary Learning

We are currently working through the Struthers programme for French which is going to be our focus language this term.

We will then move on to the topic of Space. Pupils will investigate the different planets in our solar system as well as the milky way, satellites and more!

Opportunities for Personal Achievement

At Struthers we celebrate achievements and share them on Twitter. Please follow [@StruthersSchool](https://twitter.com/StruthersSchool).

This term pupils will get the opportunity to take part in:

- Target Setting and Celebrating Success
- Weekly Rights Time

Please let us know about your child’s achievements outside of school by emailing the school office.
