

Welcome Back!

I hope you all had a brilliant October holiday.
We are now ready for a busy term ahead.

Literacy

This term, P2 will be reading 'The Hodgehog' by Dick King Smith as our whole class novel. This will allow pupils to read for understanding and answer a variety of questions about the text. We will continue to develop our decoding skills, fluency and expression by reading texts aloud with a small group.

We will be exploring different writing genres this term. By investigating animal habitats, we will be report writing and creating interesting fact files. This will allow pupils to focus on sentence building, using interesting vocabulary and starting sentences using exciting openers.

Mathematics

In Term 2 we will be exploring the properties of 3D shapes as well as continuing a variety of shape and number patterns. To prepare for 2027, we will be learning about seasons, the months of the year as well as reading calendars. Towards the end of the term pupils will be identifying coins and notes as well as using their addition and subtraction skills to add money totals and calculate change.

Interdisciplinary Learning

This term we will be researching different animal habitats and life cycles. Pupils will have the opportunity to investigate woodland, safari, ocean and mini beast habitats by choosing animals of their choice.

Later in the term we will be exploring the story of Christmas and preparing for the Struthers Christmas concert.

H/WB

Our PE days will now be on a Tuesday and Wednesday.

Royal Troon will be delivering golf sessions this term. Children will also be focusing on a variety of gymnastics techniques.

P2 Disco September 2026

Announcements

Mrs Fishwick will be delivering PE and Health and Wellbeing on a Wednesday morning.

Homework will be given to pupils on a Monday and should be dropped off in our drop off box on a Thursday.

Outdoor Learning - We will be taking our learning outside. Please dress for the cold winter months.
