

Early Years Action Plan

What we intend to do:	How we will do it:
Work towards agreed criteria for planning of learning, teaching, assessment and moderation.	<ul style="list-style-type: none"> • Organise regional assessment/moderation events • Look inwards at the practice of each of the 4 authorities and outwards at other RICs • Develop systems and processes of sharing effective practice across the RIC • Engage with colleagues from other RICs to discuss strategies/approaches and share practice • Develop shared approaches to moderation • Practitioner collaboration to develop and build confidence in the 4 stages of progress approach
Devise a programme of regional collaboration with a clear focus on improving outcomes for children	<ul style="list-style-type: none"> • Organise a CLPL programme for HT's where appropriate, managers, EY leaders and EYP's • Facilitation of cross-authority visits to share best practice • EY event to share good practice
Work with families and wider partnerships to develop programmes which will improve outcomes for children	<ul style="list-style-type: none"> • Offer Professional Learning on Parental Engagement facilitated by Connect • Develop connections to Home Link and Family Learning Teams to identify how we can add value at regional value • Engage with Education Scotland to help further develop approaches to parental involvement, parental engagement, learning at home and family learning • Organise an EY event with a parental engagement focus
Develop a range of opportunities which build leadership capacity at all levels across the sector	<ul style="list-style-type: none"> • Identify, promote and share good practice across the SWEIC • Develop a leadership programme for HT's where appropriate, managers and EY leaders • Offer Coaching For Success professional learning to Early Years leaders
