

# Symington Primary and EYC Newsletter

January 2026

I would like to take this opportunity to thank everyone for welcoming me into the Symington Community. It has been a pleasure getting to know the children, staff and families and look forward to meeting those who I haven't met as yet.

I would encourage you if you have any questions or concerns to contact the school office to arrange a telephone call and/or meeting.

I wish everyone a lovely long weekend.

# Communication

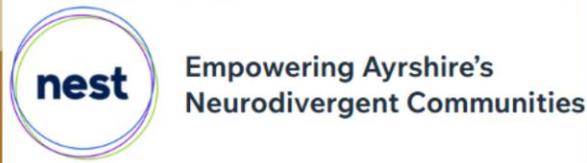

Thank you to those who completed the communication survey that was distributed. It has been most helpful to hear what is working well and what can be improved upon. A communication Policy will be shared in the near future and this will feature details of all communication the school and Early Years Centre has with our families.

A majority of the survey response indicated a Facebook page would be positive. The purpose of this will be to share learning of our Primary classes and for sharing of information. We will continue to use the current systems for the school and EYC.

# *At our Parent coffee and chat*

We welcome representatives from

February  
9.30am

Please come along to our coffee and chat with representatives from NEST and Spotty Zebras. It is a good forum to discuss supports, meet others and get advice.

# Parent Council Updates

At the last meeting we discussed the following;

- Fundraising for an additional Trim Trail – Valentine’s discos, Easter Trail will be organised to raise funds
- Outdoor Learning and use of Garden area – an action plan will be organised by the school
- Communication across the school – survey to be sent and policy will be written
