

Your mission is to create a NEW logo for the Olympic Games in 2021.

Design Brief

Your design must include:

- A clear and eye catching logo.
- Your logo must be sports related.
- You can use any medium to create your design - paints, pens, pencils, collage, computer... be as creative as you can!
- You must include at least 2 of the design tools mentioned in the YouTube clip.

Your job role: Graphic Designer

Graphic design is the art or profession of combining text and pictures in art, advertisements, publications, or websites. The aim of graphics is to brand, inform, and have a specific effect on its audience.
