

TROON PRIMARY SCHOOL & EYC

**Extra-curricular and Specialist
Opportunities**

2022-2023

EXTRA-CURRICULAR and SPECIALIST OPPORTUNITIES

At Troon Primary School we provide a wide range of extra-curricular activities and opportunities to meet with other schools to participate in sports festivals and competitions at cluster, authority and national levels.

This session we will be able to fully introduce our after school programme which will also be supplemented with lunch time opportunities.

The following annual calendar highlights the many opportunities for extra-curricular activities, visiting specialists and our competitive calendar. Many of our clubs will be led by school staff and Active School coaches. We will also invite visiting specialists to support our PE sessions. We are always looking for new volunteers to support our extra-curricular activities. If you wish to be involved, please contact the school on troon.mail@south-ayrshire.gov.uk

This year our P7 will also take part in the 'Thrive for Five' Award and have opportunities to develop leadership skills in sport by taking part in the Junior Coaching Academy. Our P6 will also participate in the 'Spirit of Sport' Programme focussing on the seven values of Sport.

Please note, additional dates and opportunities may be added as the term progresses; class educational outings and Early Years Care Planning meetings are ongoing throughout the year.

Our calendar will be shared on a termly basis.

Extra-curricular and Specialist Opportunities

Term 3 - 2022-2023
