School Improvement Plan Priorities  
2023-2024

## LITERACY AND NUMERACY

### **SOUTH AYRSHIRE READS**

Create skilled and confident readers through literacy development, professional learning and partnership working to create a lifelong love of reading that impacts positively on all pupils

### **LITERACY PATHWAYS**

Review and develop literacy pathways to ensure appropriate pace/challenge and meaningful learning experiences in all stages

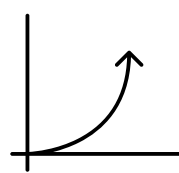

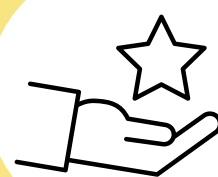

### **WRITING EVERY WEEK**

Embed new writing across all stages from EYC to P7 to ensure consistent, progressive pathways with a clear focus on skills development

### **ASSESSMENTS**

Embed assessment procedures to ensure consistency in professional judgement of attainment – provide opportunities to share practice and moderate achievement levels

### **INTERVENTIONS**

Continue to embed evidence informed interventions and learning strategies to improve outcomes and raise attainment in both literacy and numeracy

### **NUMBER SKILLS AND STRATEGIES**

Continue to identify & use effective teaching strategies to engage all learners and develop skills

### **MATHS PROGRESSION**

Ensure appropriate pace and challenge across all stages; use baseline assessments to benchmark learning and inform appropriate next steps

## ADDITIONAL PRIORITIES & HWB

### **MUSIC**

High-quality provision implemented across all stages to develop music skills and wider skills including pupil wellbeing, language, executive function and social skills

### **PLAY AND OUTDOOR LEARNING**

Develop play as a learning context; embed play-based learning opportunities across Early Level including beach & forest school, playful pedagogy and outdoor learning opportunities

### **DIGITAL SKILLS**

Continue to develop digital skills to support progression; staff training provided to further support digital working and new online systems within GLOW

### **PUPIL VOICE**

Opportunities to further develop and promote pupil voice and leadership groups explored and developed with all staff and children

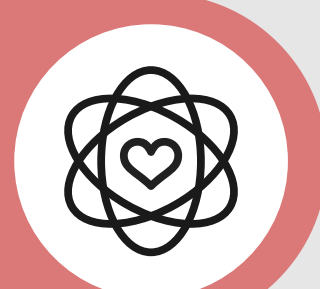

### **POLICY**

Review and refresh EYC and school policies to ensure clear, consistent procedures; refresh and update our school handbook

### **HWB - VISION, VALUES & RIGHTS**

Clear focus on our whole school approach to rights, vision and values, including introducing our new cluster motto and embedding nurture strategies across the school and EYC

### **HWB - ACTIVE SCHOOLS & PHYSICAL WELLBEING**

Continue to work with Active Schools and wider partners to engage all children in activities to promote their physical and mental wellbeing
