

TROON PRIMARY SCHOOL & EYC

CURRICULAR MAP – TERM 1

PRIMARY 7

Mrs McIntyre, Mrs Law, Mr Robb, Mr Paterson

LITERACY	NUMERACY & MATHS
<p>This term, the children will be improving their spelling, grammar and comprehension skills using resources that they are familiar with from Primary 6.</p> <p>We will begin our novel study next week, 'The Boy in the Striped Pyjamas', which links to our first topic, World War II. We will use this novel to build on our Critical Literacy skills in preparation for secondary school.</p> <p>Our writing this term will link in well with our WWII topic, giving plenty of opportunities for imaginative stories and Evacuee Diary entries.</p>	<p>This term, we have started looking at our mental recall and the four operations. We will continue to focus on mental maths and rapid recall of times tables throughout Primary 7.</p> <p>Our first steps in maths will be to concentrate on consolidating and building on previous learning and looking at Place Value and Whole Number.</p> <p>We will move on to looking at Shape.</p>
SOCIAL STUDIES	OTHER CLASS INFORMATION
<p>Our interdisciplinary topic this term is World War II which the children really look forward to learning all about. We will be using this as an opportunity to discuss current events and how history is an important aspect of our society.</p> <p>There will be opportunities for children to share family history and to create a project of their choice at home.</p>	<p>Primary 7 is one of the busiest times for pupils. We have already appointed our new House Captains.</p> <p>We will be working with Active Schools in the coming weeks to complete the Junior Coaching Award.</p> <p>Our PE days will be Monday and Wednesday each week this term. Please ensure pupils wear gym kits on these days until the changing rooms re-open.</p>
