DREAM TEAM

THERE'S NO SUCH THING AS A LONE GENIUS

Take a moment and and think about creative people that have changed the world. Who comes to mind?

Maybe you're thinking of a tech giant like Steve Jobs, famous fashion designers like Coco Chanel, or pop stars that have changed the course of music history, like Beyonce.

All of these people are creative icons, but none of them worked alone.

NO GREAT IDEA

WHETHER IT'S A SONG, A BOOK,
A FILM OR A PRODUCT ...

IS BROUGHT TO LIFE BY

JUST ONE PERSON.

BUT TOO OFTEN, WE FORGET THAT THERE'S A WHOLE
TEAM OF CREATIVE PEOPLE BEHIND

A SUCCESS STORY.

WHAT MAKES A GOOD TEAM?

Good teams are inclusive and balanced.

They should include people with a range of different skills and strengths, who work together towards a common goal.

WHAT DIFFERENT ROLES DO YOU THINK MAKE UP A GOOD TEAM?

CREATIVE TEAMS MIGHT INCLUDE

A project manager - organised and good at deadlines.

A designer - strong design skills can bring a product to life.

A writer - precise, convincing writing can help communicate ideas to the world.

A coder - passionate about tech, with good attention to detail.

CAN YOU THINK OF ANY OTHER CREATIVE ROLES?

SO WHICH

CREATIVE ROLE WOULD YOU HAVE

ON A CREATIVE TEAM?

Over the next 10 minutes, **choose 3 or 4 words** from the list that you think best describe you.

Then think of examples of things you've done at school or outside school that reflect those words.

CAUTIOUS | SOCIABLE | CARING
COMPETITIVE | PRECISE | DEMANDING
DYNAMIC | ENCOURAGING | DELIBERATE
DETERMINED | DEMONSTRATIVE | SHARING
| QUESTIONING | STRONG-WILLED
ENTHUSIASTIC | PATIENT | FORMAL
PURPOSEFUL | PERSUASIVE | RELAXED

NOW FIND A PARTNER

DISCUSS WHICH WORDS YOU CHOSE

For the next 10 minutes, chat about the words you chose and why. Do they agree with you? Or disagree?

You're allowed to change your mind if you want to!
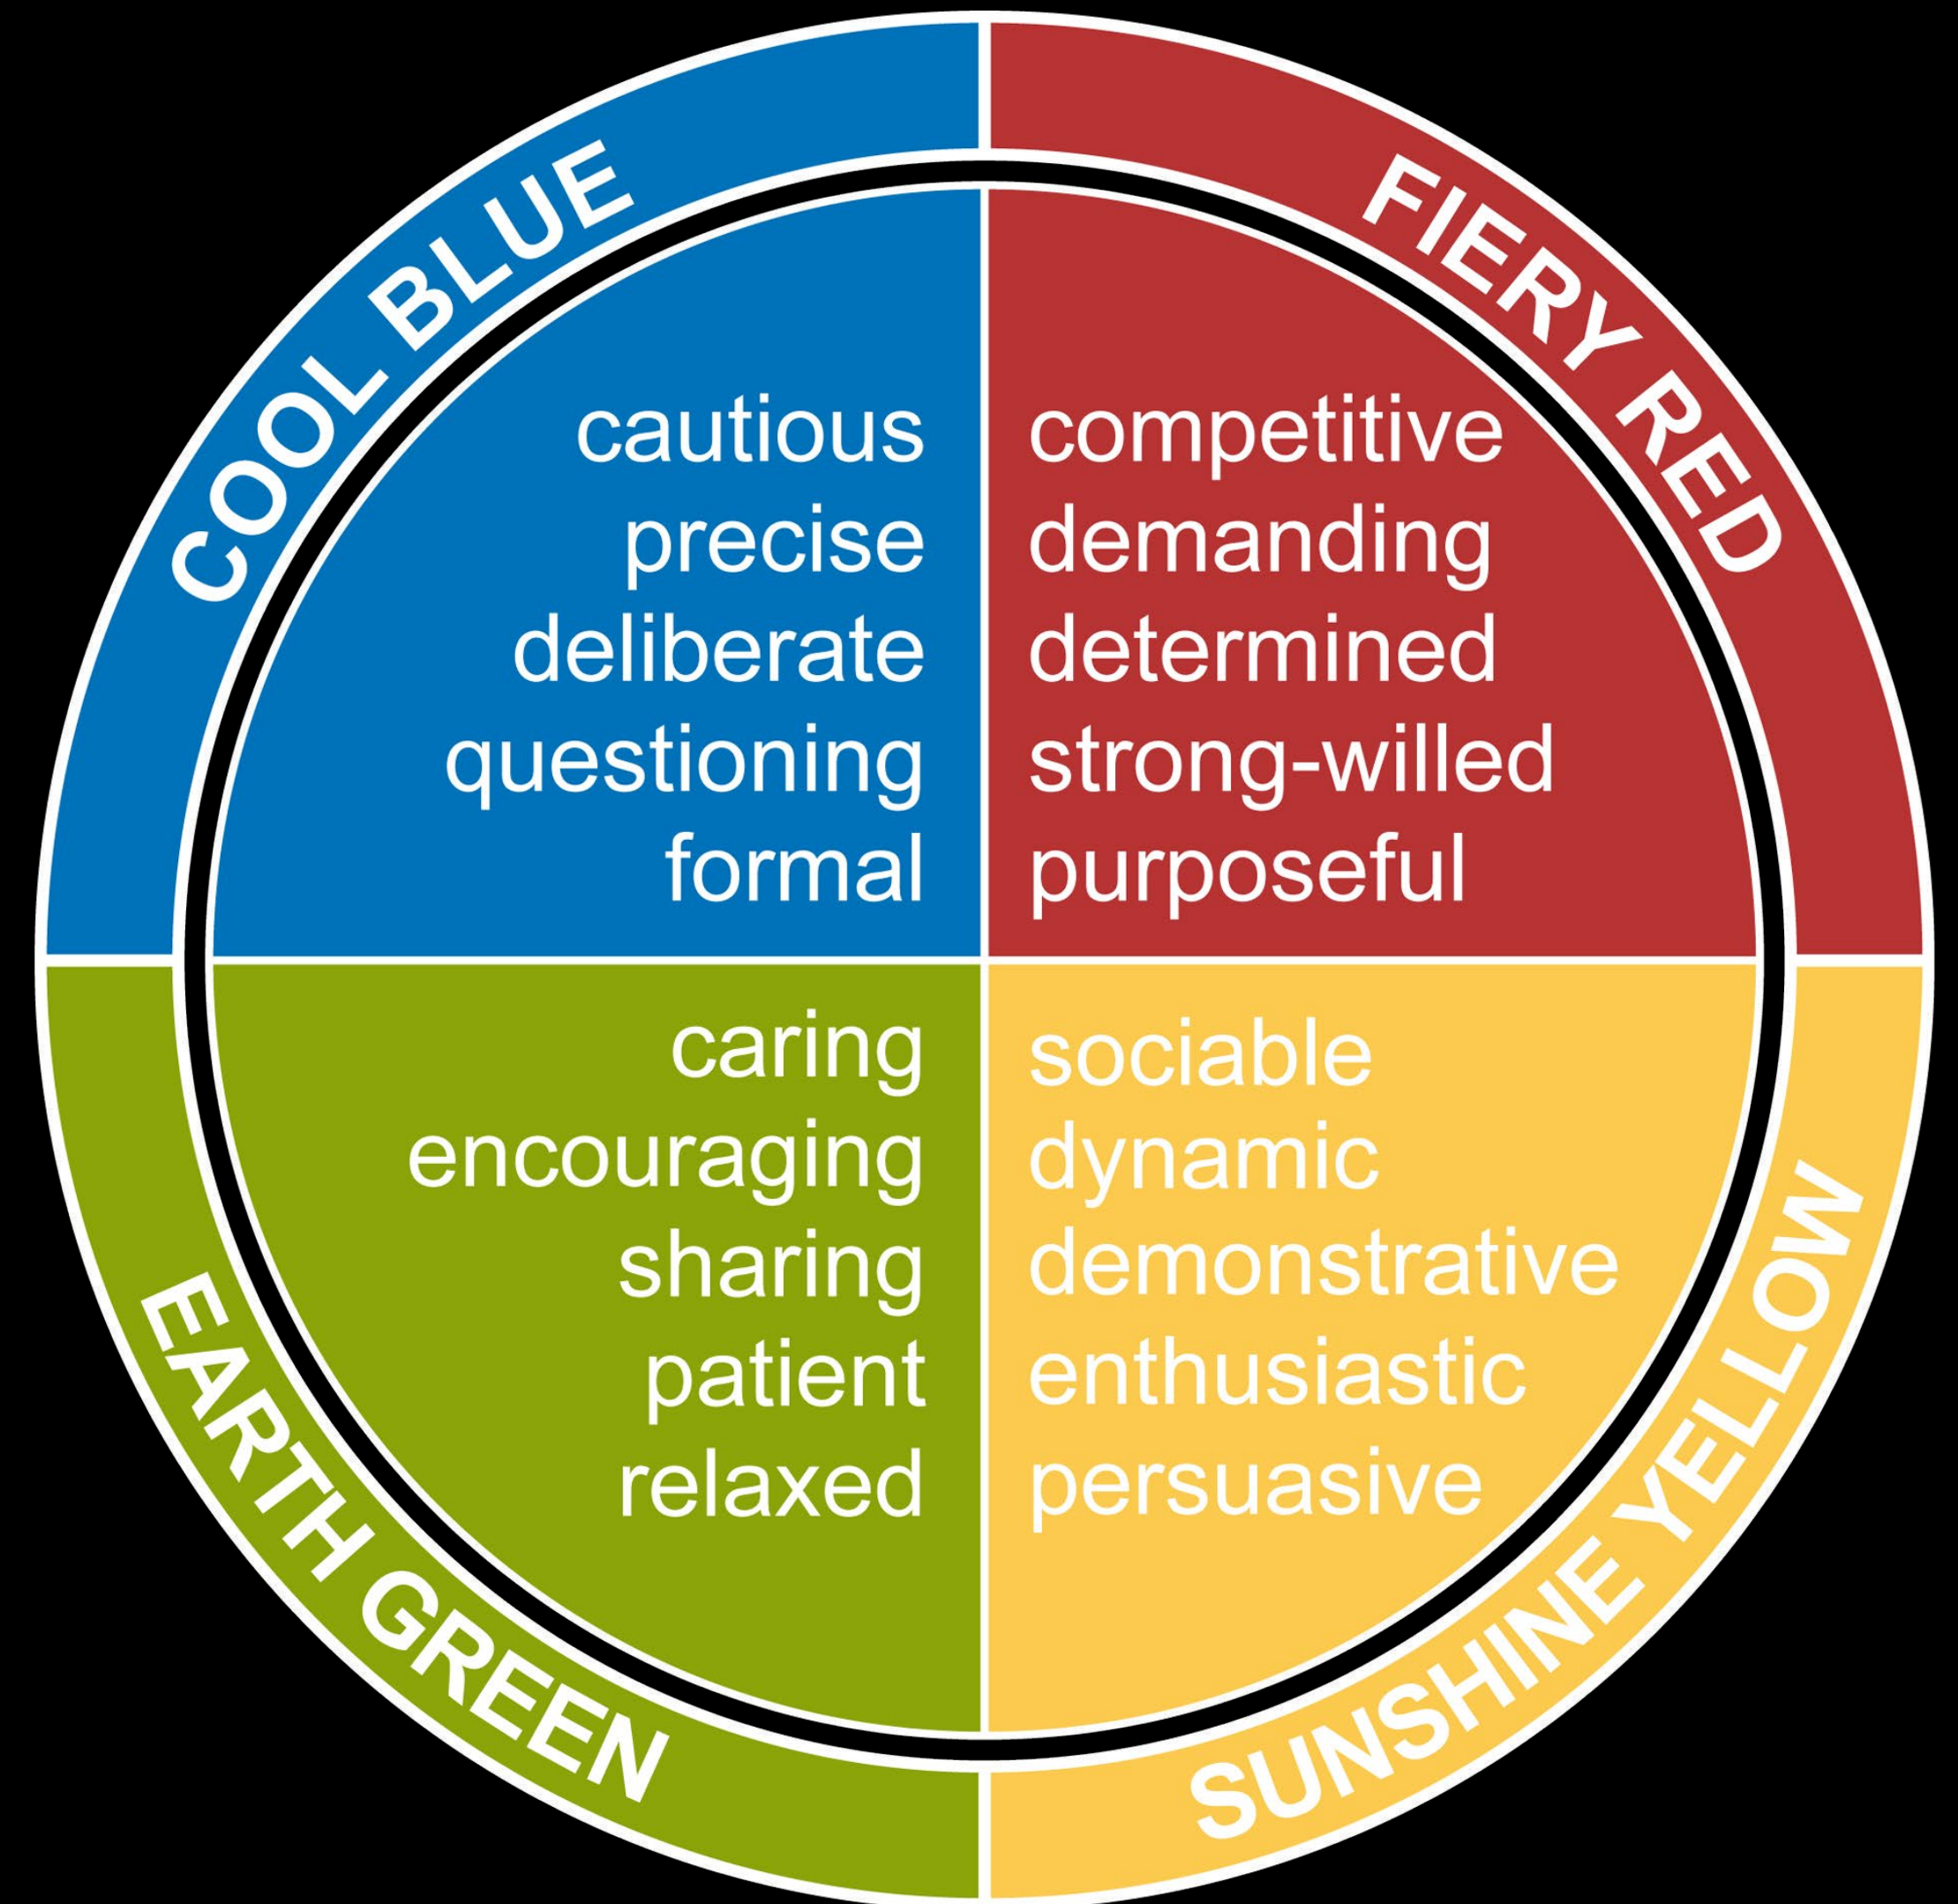

WHAT DID YOU DECIDE?

So what did you decide on? Share your final choices with the class.

Are you happy with the words you picked, and do you think they reflect you?

WHICH COLOUR GROUP DO YOU FIT IN?

If your words are spread across more than one group, choose the one that has the most words you picked.

If it's a tie between two groups, then pick the one you feel reflects you the best.
