

# A Quick Guide to: Saving a project in Book Creator

1. Select the project you wish to save and click share in the bottom centre of the screen
2. Choose the type of format you wish to save:
  - If you are still working on the project or wish to work on the project in the future, select the file format “ePub”
  - If your project is complete, you can save your work in one of the other file formats

1. Click share in the bottom centre of the screen
2. Click “Save to files”

1. Select “iCloud Drive”
2. Select the folder where you wish to save your work
3. Click, save to save your project
