Suggest Bookings for Me

Suggest Bookings for Me will let you choose the teachers you want to book (across multiple students, if applicable), and asks when you are available for appointments.

The system then calculates the most efficient order for your appointments, and you have 5mins to confirm (or adjust) these.

The screenshot shows the 'Suggest bookings for me' interface for Blueberry Example School. At the top, there are navigation links for 'CHANGE CHILD', 'HELP', and 'LANGUAGE: ENGLISH (UK)'. Below the school name, there is a 'Return to Dashboard' link and the title 'Suggest bookings for me'. A message states 'Teachers have requested meetings with you.' A search bar contains 'Calum Smith' and a dropdown menu shows 'Tasha Smith'. Below this, a grid of available teachers is displayed, each with an 'AVAILABLE' badge and '36 slots left at 5 minutes each':

- Miss Neill, Geography
- Mr Forwood, Science
- Mr Holmes, PE
- Mr Mackenzie, English
- Mr Taylor, History
- Mrs Hall, Physics
- Mrs Ross, Accountancy

At the bottom, there is a section 'When are you able to attend?' with a 'Day 1' dropdown, a checked option for 'Tuesday 23 Feb 2021', and 'Arrive' and 'Depart' time pickers (16:00 and 19:00). A checkbox for 'Allow other parents and carers of this student to join video calls?' is present, and a 'Make my bookings for me' button is at the bottom.

The screenshot shows the 'Confirm suggested bookings' interface for Blueberry Example School. At the top, there are navigation links for 'CHANGE CHILD', 'HELP', 'LANGUAGE: ENGLISH (UK)', and 'BACK TO ADMIN AREA'. Below the school name, there is a 'Return to Dashboard' link and the title 'Confirm suggested bookings'. A yellow banner indicates a 4:55 timer and the text 'Please confirm these bookings within 295 seconds.' Below this are three buttons: 'Confirm bookings', 'Edit bookings', and 'Cancel bookings'. The interface displays a grid of suggested bookings for two students:

Joining Video Meetings

On the day of the parents' evening, a blue "Join Video Appointment" button will show up **10-15mins before your first appointment**, after you login.

Any time in advance of your video meeting you can test your internet browser, web cam, microphone and internet connection's compatibility by clicking 'Video Settings'.

When you are ready to join your video meetings, click 'Join Video Appointments'. You will enter a video meeting room, and will await your first appointment starting.

When your first appointment is due to begin, you will need to authorize use of your microphone and web cam, and then your meeting will start at the scheduled time. If you have issues, [click here](#).

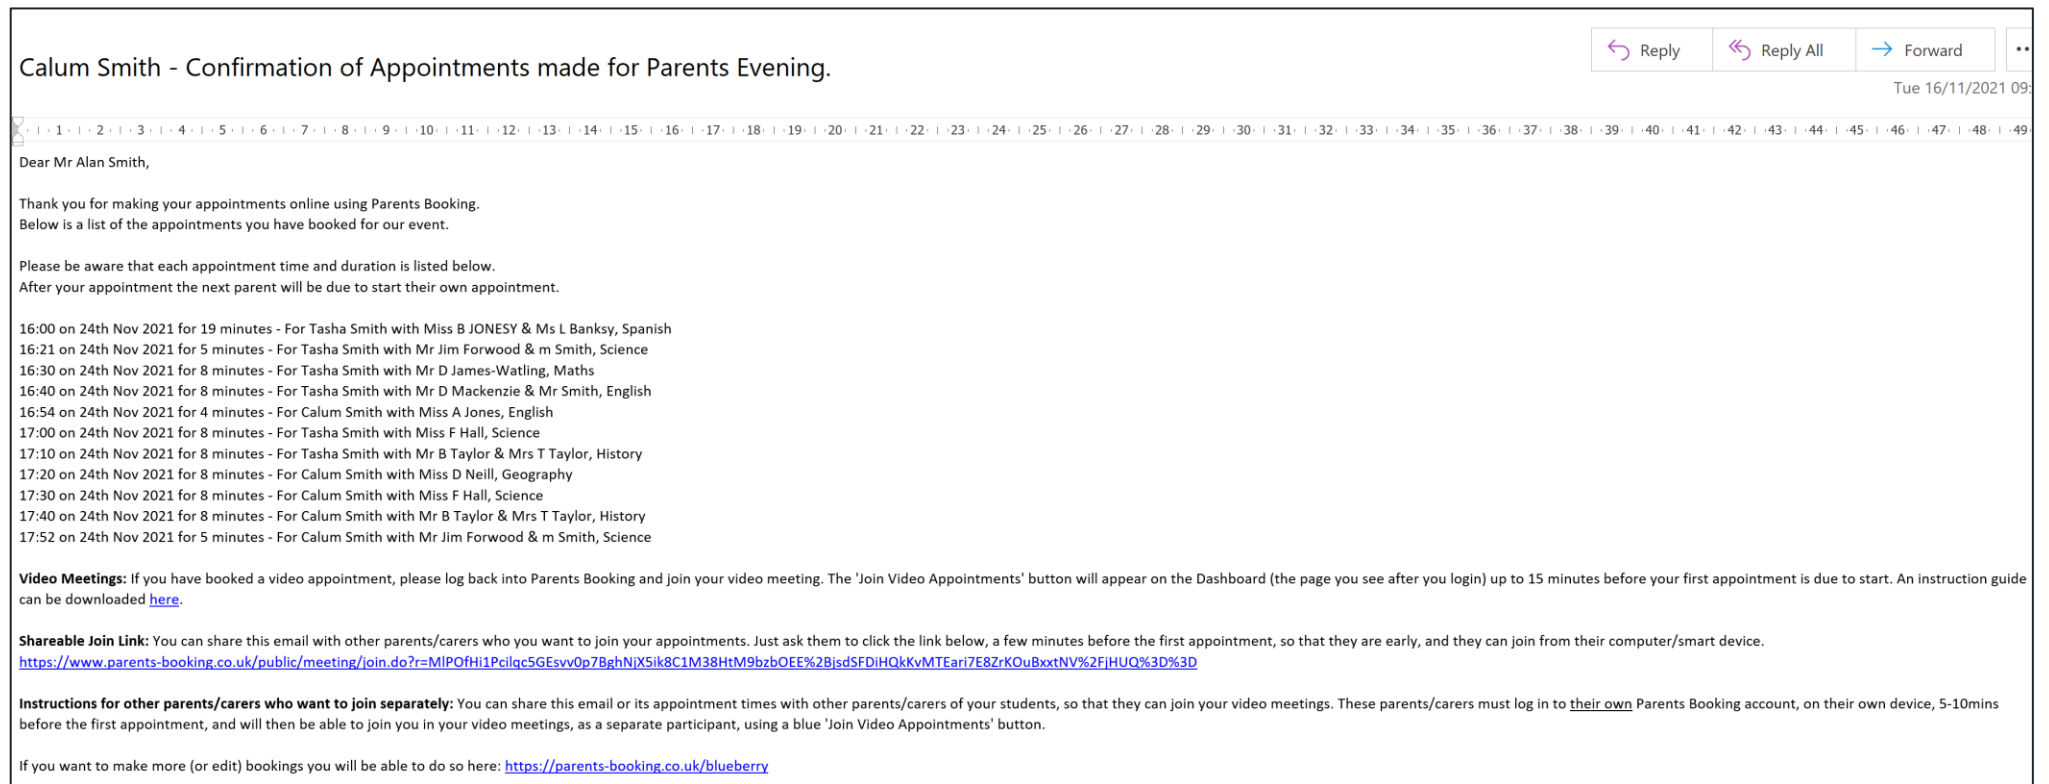

Sharing Your Video Meetings

You can invite another family member (or even an external contact such as your own BSL translator or similar) to be able to join your video meetings.

Simply share the “shareable link” in the bottom of your email confirmation with them. It might even be easier just forwarding your email to them, to click on the link and be able to see the appointment times.

The screenshot shows an email titled "Calum Smith - Confirmation of Appointments made for Parents Evening." The email body contains a list of appointments for the 24th of November 2021, including times, durations, and the names of the parents and teachers involved. A blue arrow points from the "Shareable Join Link" section to the text in the main body of the email. The email also includes instructions for video meetings and a link to the Parents Booking website.
