

HAIRDRESSING & BEAUTY THERAPY

AWARD LEVEL – City & Guilds V.R.Q

ENTRY LEVEL

Students will be expected to display good standards of written and verbal communication. A good record of discipline within the school will be essential as students will be expected to work with other professionals and members of the public. Students must possess an interest and enthusiasm for the subject.

COURSE DESCRIPTION

Work towards gaining a nationally recognised Hairdressing and Beauty qualification.

You will have the opportunity to study within a creative salon. You will be introduced to the exciting world of the hair and beauty sector.

The theory you will cover will show you the many varied hairdressing services and beauty treatments offered within the industry.

This course will be delivered on the school campus, however, please see the Borders College Options link for more information.

ASSESSMENT

- Introduction to the hair and beauty sector
- Present a professional image in salon
- Skin care
- Styling women's hair

COST

TBC.
