🚒 Important Allergy Notice – Help Us Keep Everyone Safe 🚒

We have a number of children and staff in our school with **severe nut allergies**, where even small traces of nuts can cause a serious reaction. To ensure everyone's safety, we kindly ask that **snacks and packed lunches do not contain nuts** (including peanut butter, Nutella, cereal bars with nuts, and other nut-based products).

Your support in this is greatly appreciated, and together we can help keep all our children safe. Thank you for your understanding! 💙

#AllergyAware #KeepingEveryoneSafe

Finally, we would like to extend our sincere thanks to all parents and carers for your continued support. Your partnership plays a vital role in the success and wellbeing of our pupils, and we truly value the strong sense of community at Stow Primary. We look forward to working closely with you throughout the year ahead to ensure the very best experiences and outcomes for all our learners.
