

Don't Stick Your Finger Up Your Nose
(Barry Louis Polisar, Rainbow Morning Music)

Chorus:

*Don't stick your finger up your nose
'Cause your nose knows it's not the place it goes
You can sniffle, you can sneeze
But I'm asking you please
Don't stick your finger up your nose*

Don't stick your finger in your ear
'Cause then your ear will find it hard to hear
You can pull it, you can tug it
But please don't plug it
Don't stick your finger in your ear

Chorus

Don't stick your finger in your eye
That's not a thing I think you oughta try
You can blink it, you can wink it
But I don't think it
Would be good to stick your finger in your eye

Chorus

Don't stick your finger down your throat
'Cause that will just make you start to choke
Then up will come your dinner
And you'll start to look much thinner
Don't stick your finger down your throat

Chorus
