

My Little Dog

My little dog has two floppy ears,
One waggy tail and two floppy ears.
He's as happy as he can be as he...
Spins in the wind all day..... he goes....

Flip flop waggle waggle, spin spin spin
Flip flop waggle waggle, spin spin spin
Flip flop waggle waggle, spin spin spin
As he spins in the wind all day

My little dog has two floppy ears,
One waggy tail and two floppy ears.
He's as happy as he can be as he...
Pants in the sun all day..... he goes....

Flip flop waggle waggle, Huh huh huh
Flip flop waggle waggle, Huh huh huh
Flip flop waggle waggle, Huh huh huh
As he pants in the sun all day

My little dog has two floppy ears,
One waggy tail and two floppy ears.
He's as happy as he can be as he...
Jumps in the snow all day..... he goes....

Flip flop waggle waggle, jump jump jump
Flip flop waggle waggle, jump jump jump
Flip flop waggle waggle, jump jump jump
As he jumps in the snow all day

My little dog has two floppy ears,
One waggy tail and two floppy ears.
He's as happy as he can be as he...
Splashes in the puddles all day..... he goes....

Flip flop waggle waggle, splash splash splash
Flip flop waggle waggle, splash splash splash
Flip flop waggle waggle, splash splash splash
As he splashes in the puddles all day
