

# Here comes a red bird through the window

From NYCOS Singing Games and Rhymes for the Middle Years

Here comes a red bird through the window

Through the window, through the window

Here comes a red bird through the window

High dum diddle dum dee X 2

There goes the red bird, there goes the red bird

See him flying way up high

Here comes the red bird, here comes the red bird

Back down from the sky

Here comes a red bird through the window

Through the window, through the window

Here comes a red bird through the window

High dum diddle dum dee X2
