

Nosei the which
Nosei the wich is
cald nosei because
she peeps everywere
with her nose first
she is very small
but she is very
dangerous, she sneaks
out at night and
picks little children
for her secret
spell, this night
she met Eyes the
wich, her mother.

Eyes (who did not know
about the secret spell)
asked what she was
doing, Nosei did not
answer for the first
