

AHS reads!

Knocking down barriers and building readers

We were very lucky to receive funding from the 'School Library Improvement Fund'

We purchased: mp3 and print book sets, kindle fires to access eBooks and eAudio, coloured overlays, reading pens and sets of books for group reading.

This has led to an increase in reading confidence among S1 and 2 pupils

"I really enjoyed reading time today"
and "using the overlay makes it
much easier!"

Thank you SLIF
