

Easyfundraising Guide

Raise free donations for Aith Junior High School Fund while shopping online

The simple idea

Shop with participating online retailers through Easyfundraising. The retailer then makes a donation to Aith Junior High School Fund - Bixter. There is no additional charge added to your purchase.

At a glance

1 Choose our cause

Create a free account and select Aith Junior High School Fund - Bixter.

2 Activate a donation

Begin through the website or app, or activate the Donation Reminder prompt.

3 Shop normally

Complete your purchase with the retailer. Any eligible donation is then recorded.

Why take part?

Small donations from ordinary online purchases can add up over time. Easyfundraising works with thousands of participating retailers, so supporters can help the school fund when buying items they were already planning to purchase.

1. Sign up and select the school

You only need to set this up once

Use the school fundraising page to create an account and make sure the correct cause is selected.

Open the Aith fundraising page

easyfundraising.org.uk/causes/aithjhsf/

Scan the QR code with a phone or tablet camera, or select the web address above.

1

Open the school cause page

Use the QR code or web address above. Check that the page says “Aith Junior High School Fund - Bixter” before continuing.

2

Create or sign in to your account

Select the option to support the cause. New users can create a free Easyfundraising account; existing users can sign in.

Use an email address you can access, as account and donation updates may be sent there.

3

Choose Aith Junior High School Fund - Bixter

If Easyfundraising asks you to select or switch your cause, search for the full school fund name and confirm the Bixter listing.

4

Check your account

Once signed in, check that Aith Junior High School Fund - Bixter is shown as the cause you support. This helps avoid donations being credited to the wrong cause.

Before you start shopping

Allow cookies when prompted by the retailer, as cookie settings can affect whether a visit and purchase can be tracked. Avoid changing device or browser part-way through a purchase.

2. Shop in a way that tracks

Choose the method that suits your device

Option A: Start from the Easyfundraising website

1	Sign in Visit Easyfundraising and sign in before beginning your online shopping.
2	Find the retailer Search for the retailer you want to use. Read any donation conditions shown, as some products, bookings or discount codes may not qualify.
3	Activate and continue Select the retailer link so Easyfundraising can send you to the retailer. Complete the purchase in the same browser window.

Option B: Use the Easyfundraising app

Open the mobile app, sign in, find a participating retailer and follow the link into the retailer's website or app. Keep the Easyfundraising app installed and updated if you use mobile Donation Reminders.

Option C: Install the Donation Reminder

Install Add the browser Donation Reminder on a laptop or PC, or enable the mobile version through the Easyfundraising app.	Look for the prompt When you visit a participating retailer, a notification can appear to show that a donation may be available.	Activate Select the prompt before purchasing. Then continue shopping as normal after activation.
--	--	--

Tracking checklist

- Activate the donation before adding the final payment or completing checkout.
- Stay in the same browser and device from activation through to payment.
- Accept necessary cookies on Easyfundraising and the retailer website.
- Check the retailer's conditions, including excluded products, gift cards, vouchers or unapproved promotional codes.
- Avoid visiting cashback, voucher or comparison sites after activation, as another referral may replace the Easyfundraising tracking.
- If a purchase is cancelled, returned or refunded, the retailer may also cancel the donation.

Helpful habit

Install the Donation Reminder on the devices you use most. The prompt can help you remember to activate a donation when you visit a participating retailer.

3. Check donations and solve common problems

A quick guide for after your purchase

After shopping

1	Look in your Easyfundraising account A visit or purchase may first appear as pending. Retailers usually need time to confirm that a purchase meets their donation conditions.
2	Allow time for confirmation The amount and confirmation time can vary by retailer and type of purchase. Travel bookings may not be confirmed until after the stay or journey.
3	Report a missing donation If an eligible purchase does not appear after the waiting period shown by Easyfundraising, use the missing donation or support option in your account. Keep the order date, retailer name, order number and purchase value available.

Frequently asked questions

Does it cost me extra? No additional charge is added to your purchase for the donation. The participating retailer funds the donation.	Can I shop directly with the retailer? Yes, but you must first activate the donation through Easyfundraising or the Donation Reminder so the visit can be tracked.
Will every purchase qualify? Not always. Each retailer can set conditions and exclusions. Check the retailer information before purchasing.	Can I use a discount code? Only if the code is accepted under the retailer's Easyfundraising conditions. A code from another referral or voucher site may prevent tracking.
What if I forget to activate? A completed purchase normally cannot be linked afterwards if it was not tracked. Installing the Donation Reminder can reduce the chance of forgetting next time.	Can more than one person support the school? Yes. Family members, friends and members of the wider community can each choose Aith Junior High School Fund - Bixter as their cause.
