If you do not have this booklet to hand, find it in the teams file.</p> <p>You then will get an assignment on sound to complete. I have linked a few videos for you to watch related to sound. I will be posting on teams on a daily basis so stay in contact.</p>	<p>Teams</p>	<p>Live catch up on teams Wednesday 12 noon</p>

Secondary 4

Subject	Work for the week	Platform	Additional Information
Admin & IT	To help keep up your practical skills, I have created a practical work channel where I have uploaded 2 files - Fly by Night (N5) and Primadonna Fashions (N4). Choose which one you would like to try and e-mail me each completed piece of work as an attachment. Make sure you put your name and the question number in the footer of the task.	Teams	Let me know if you are having difficulties accessing anything.
Art & Design	Ongoing drawing and painting for the Expressive Portfolio. You should have your portfolio and materials at home now. Check my notes for individual advice on completing work. Please send photos of what you have worked on by Friday 5 th February for feedback (or sooner if you prefer.) gw08huntermvirginia@glow.sch.uk	Personal Portfolio pack Teams – video on Expressive portfolio with advice	Mrs Hunter will be online at 12noon on Friday 5 February to go over week's progress and catch up. Any other questions, email or message on Teams anytime.
Biology	Task 1: Online lesson on Limiting Factors (the last thing we have to cover in the N5 course!!) Monday 12.00-12.30. Task 2: Practice Question Book Exercise 16C. Task 3: N5 Skills book. Graphs: Q14-19.	Teams N5 Skills book	Please return work by Sunday morning for marking. Remember to get in touch if you need any help!
Business Management	Questions 5, 6 and 7 from the Practice Paper you have been working on.	Files and instructions on Teams	TEAMS virtual meeting at 10 am – Wednesday 3 February 2021 – invitations sent out.

Work for the week beginning 1 February 2021

Chemistry	New topic 'Plastics' I am sending a 'plastics' pack (worksheet, quiz, revision questions) out in the post today (Friday 29 th) for you to complete over the next fortnight. You can either email back a scan of the completed worksheets or photos to gw09stovegordon@glow.sch.uk by Sunday 14 th . I'd also like you to work through the plastics section on scholar which I will monitor as you progress. Login (hw.ac.uk)	There will be accompanying powerpoints on plastics in the 'term 3 week 4' folder in files and a link to a Twig/Glow video.	Live chat Thursdays 0930 hours. Two summary clips from 'Miss Adams' and 'Fuse' https://www.youtube.com/watch?v=MqQLBfmqXTI https://www.youtube.com/watch?v=sk6h4oaArE0
English	Continuing with the persuasive essays they are writing. They should have completed 3 or 4 paragraphs, so far. Aim to finish your essays by Monday 8 th February 2021. Use the N5 Persuasive Writing booklet to support your ideas.		Mrs Crossan will be available on Thursday at 2 pm on Teams to answer any questions. Send your completed work to: gw08crossanjulie@glow.sch.uk
French	Continue with Future plans and preparation for Talking assessment	TEAMS	Meeting Thursday 12:00
Geography	Continue with the work on rivers and their valleys – Rivers and map. The questions are in the Files area of the S4 Teams page. This work is part of the Physical Environments Assessment	Files on the Teams page	Please email me any completed work as soon as possible to gw09macknymillswend@glow.sch.uk Team meeting on Thursday at 10.30 am
Graphic Comm	Go to TEAMS page and open the PDF " Graphic Communication Support Notes " and read through pages 188-226 . Once you have read this, please email me any four facts that you learned from it.		Deadline for this task is Monday 8 February at 9 am . Please email me if you have any questions or worries about this task.
History	This week you should complete the end of unit assessment on the Great War and send this to me by Thursday at 9.00 am . As you will be doing this at home rather than in class, it is going to be an open book assessment. This means you can use your notes to help you to answer the questions. It is also not timed so you can spend as much time on it as you need.	S4 History Team BBC Bitesize Mr Marr History	We will meet on Teams on Thursday 4 February 11.00 am - 11.30 am so you can ask any questions. Also, please feel free to post any questions on the S4 History Team or email me. My GLOW email is: gw08mercersylvia@glow.sch.uk

Work for the week beginning 1 February 2021

Hospitality	Past paper on Forms.	Forms	Once complete it will send to me automatically for marking.
Maths	<p>National 5 Pupils will be continuing with the topic of trigonometry. Pupils will be attempting Past Paper questions involving the use of the Cosine Rule (calculating the length of a side). Once this work is completed, we will be looking at the Cosine Rule 2 (calculating the size of an angle in a triangle). Textbook work to be completed will be posted on Teams on Monday 1st February 2021.</p> <p>In addition, basic numeracy (non-calculator) worksheets will also be posted on Teams for pupils to try.</p> <p>Answer sheets for the above work will be posted on Teams later in the week. Please check your work and let Mr Jackson know how you coped with the above tasks by posting a comment on Teams/ glow email.</p> <p>National 4 Mr Jackson will be contacting N3/4 pupils directly to see what progress has been made over the last week and future work will be arranged accordingly.</p>	Teams	<p>Please provide feedback on progress via the S4 Team or by glow email (OK/ not OK is sufficient). Ask for help (if required) by posting on S4 Team/ by glow email; Mr Jackson will contact you directly. Write your answers (including all necessary working) in your class jotter. Keep this work in a safe place as it will be required on your return to school.</p>
Numeracy	Any outstanding practice papers should be sent to Mr Garrick.	Teams	
Music	Continue completing work sent out over the last few weeks. Important to get the past papers in so we can see where stand. Continue rehearsing the pieces. Remember to submit recordings of performances every week (upload to the folder) so we can continue collating evidence	TEAMS, YouTube, BBC Bitesize,	<p>If you are unsure of anything, please email me at gw20justicealistairj@glow.sch.uk. Any questions about the past papers, ask before looking at them so you are clear on how to proceed.</p> <p>From the information we have received from the SQA it is important that we get the performance evidence.</p>

Work for the week beginning 1 February 2021

PE	<p>Hi everyone. Please can you complete the next four revision questions and continue with your final PDP. Our live lesson will be on Tuesday 2 February at 12.30pm and we can discuss the 6 week plans and your revision questions.</p>		<p>The questions will be on the S4 PE page and I have scheduled the live chat for Tuesday at 12.30</p>	<p>Keep in touch by email if you have any questions and I will give you feedback on your plans when you send them in. I look forward to our weekly chat on Tuesday at 12.30. Thanks Mrs Drakeford</p>
Practical Woodwork	<p>Go to TEAMS and complete the Word document “S4 Woodwork Questions Week 4”. Please ensure you download the document onto your computer before you edit it. Otherwise, you can print it off or write the answers on a separate piece of paper, then send me a photo of your answers.</p>	<p>You still have the option to do something practical in your home instead. As long as you email me before and after photos of your project, along with a list of tools/equipment that you used. This is only possible if you have access to tools, materials and equipment in the first place.</p>	<p>Deadline for this task is Monday 8 February at 9 am. Please email me if you have any questions or worries about this task.</p>	
Physics	<p>Review of Electricity. Then we start the last topic Properties of Mater, also known as Thermodynamics. Find the notes to this on teams within the February folder. We will start by comparing the kelvin scale of temperature with the Celsius scale. Then we will learn about specific heat capacity. PhET website is good at showing the kinetic theory of matter,</p>			<p>Live catch up on Teams Wednesday 11 am</p>
