But please send when complete.</p>
<p style="text-align: center;">Maths</p>	<p>National 5</p> <p>Pupils will be continuing with the topic of trigonometry. Pupils will be looking at mixed questions involving SOH CAH TOA, Sine Rule & Cosine Rule and tips will be discussed as to how you decide which formula to apply.</p> <p>Textbook work to be completed will be posted on Teams on Monday 8th February 2021.</p> <p>In addition, basic numeracy (non-calculator) worksheets will also be posted on Teams for pupils to try.</p> <p>Answer sheets for the above work will be posted on Teams later in the week. Please check your work and let Mr Jackson know how you coped with the above tasks by posting a comment on Teams/ glow email.</p> <p>National 4</p> <p>Mr Jackson will be contacting N3/4 pupils directly to see what progress has been made over the last week and future work will be arranged accordingly.</p>		<p>Please provide feedback on progress via the S4 Team or by glow email (OK/ not OK is sufficient).</p> <p>Ask for help (if required) by posting on S4 Team/ by glow email; Mr Jackson will contact you directly.</p> <p>Write your answers (including all necessary working) in your class jotter. Keep this work in a safe place as it will be required on your return to school.</p>

Work for the week beginning 8 February 2021

Music	<p>Continue with revising the concepts and trying out the rehearsal papers you have been sent. Any questions on these, send me an email!</p> <p>Continue to submit performance evidence and remember to complete your performance logs</p>	TEAMS, One Drive	<p>Any queries and questions drop at email to gw20justicealistairj@glow.sch.uk.</p> <p>Remember to upload your performance logs and recordings – this is all evidence to submit our final grade submissions.</p>
PE	<p>Please can you continue with the S4 folio questions. Can you email me your answers and I will give you feedback. I would also like you to work on your PDP and we can discuss this on the live PE chat on Tuesday 9 February at 12.30pm.</p>	The questions are on the S4 PE team.	<p>Please email me your answers to the Folio questions and continue with your PDP. There is a blank copy under class materials. I really need you all on the live chat on Tuesday at 12.30 as you are missing out on valuable information to help you with your course.</p>
Practical Woodwork	<p>Go to TEAMS page and open the PDF “S4 Woodwork Multiple Choice Quiz”. Please attempt all of the questions then email your answers to Miss Kerr afterwards.</p>		<p>Deadline for this task is Monday 15th February at 9am. Please email me if you have any questions or worries about this task.</p> <p>We will have a live meeting on Thursday 11 February at 12:30pm.</p>
Physics	<p>Task 1 Consolidate Heat capacity. Go to Bitesize read through the 3 pages try the test, post your score out of 10 Bitesize Heat Capacity then further practice on problem solving by doing the questions found on page 5 and 6 of the notes on Thermodynamics (found in the Teams files)</p> <p>Task 2 Latent Heat read page 7 and 8 in the notes. Back this up by going onto Bitesize Physics N5 Latent Heat Go through the two pages try the test, post your score out of 10.</p> <p>Task 3 I will set you some exam style questions on heat capacity and latent heat at the end of the week.</p>	Teams Glow	Live Catch up on Teams Wednesday 11am

Virtual Meetings – S4

	8.55 - 9.45	9.45-10-35	Break	10.50-11.40	11.40-12.30	12.30-1.10	Lunch	2.00-2.50	2.50-3.40	
	Period 1	Period 2		Period 3	Period 4	Period 5		Period 6	Period 7
