## FAQs

**What if I see someone else misbehaving? What can I do?**

**I am not learning because of the behaviour of some pupils in my class. What can I do?**

Don't get involved

Tell someone privately when you can, (eg your class teacher, your pupil support teacher, or someone at home)

**I find myself losing focus and distracting myself and others.**

**What can I do?**

Tell your teacher privately. It might help to sit somewhere else in the class. You can also discuss with your pupil support teacher too.

We need to make sure that both you and others around you are able to learn.

**What happens if I need to go to the toilet during class time?**

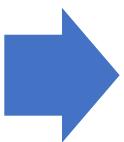

Make sure you go to the toilet at break and lunchtime!

You will be allowed to go during classtime, but you **must** sign out and leave your phone in the classroom.

**I think I have been treated unfairly.**

**What can I do?**

Talk to your class teacher in private at the end of the lesson. It is not appropriate to take up class time.

You can also speak to your pupil support teacher.
