

Dear Parents and Carers

### 1. Change of Timetable

Good luck to our new S2, S3 and S4 Year Groups with the change of timetable yesterday.

### 2. Anderson High School, Survey for all Parents and Carers

A reminder that we are currently gathering the views of parents and carers on the school through an online survey. The survey was shared with parents and carers last week.

We encourage all parents and carers to complete the survey.

The survey will close on Friday 30 May 2025.

### 3. Participation in Physical Education (P.E)

Please could parents/carers note that we require pupils to attend P.E. classes with suitable P.E. kit for participation. We are experiencing an increasing number of pupils who are attending class in unsuitable clothing which we feel we need to address.

Pupils should bring a change of kit such as shorts/joggers/trackies/leggings as well as suitable footwear, which would enable pupils to engage fully in their learning.

If pupils are continuing to attend class without suitable kit, Pupil Support will contact parents and carers to see how best the school can support you to provide kit for your child/ren.

If families are unable to provide kit, the P.E. Department will be getting access to preloved sportswear through the "Kit for All" scheme that is run by a SIC Sport and Leisure Services staff member - Lesley Spence. See the attached flier.

In addition to this, if any families felt able to donate preloved kit to the school, then that would be greatly appreciated.

We would also ask that if pupils are unable to participate due to illness or health reasons then we would prefer parents and carers to provide a written note.
