

Tuesday 6 June

Dear Parent/Carer

In connection with their current learning about 'Water', the Primary 1 classes will be visiting the Shetland Museum during the morning of **Wednesday 14 June**.

The classes will be walking to the museum so please ensure that your child appropriate clothing and footwear for the journey. However, in the event that the weather is extremely poor the visit will be rescheduled.

Additional support from parents/carers helps visits like these to happen and is always appreciated, so if you are able to accompany your child's class on this trip, please let Mrs Anderson or Mrs Tait know.

Yours sincerely

M Clark
