

Please complete and return your sheet to your teacher at Bells Brae School by Friday 15th October to claim a reward!

Light Stitch Activity Sheet

NAME:

AGE:

At Victoria Pier, you will find a beautiful lighthouse designed using Fair Isle patterns.

Use the grid below to create your own Fair Isle design by colouring in the individual boxes.

[illegible]

At Mareel, you will find 4 small lighthouses called 'Little Lights'...

How many different types of sea creature can you find painted on the lighthouses?

.....

Which lighthouse has a waving man painted in the door?

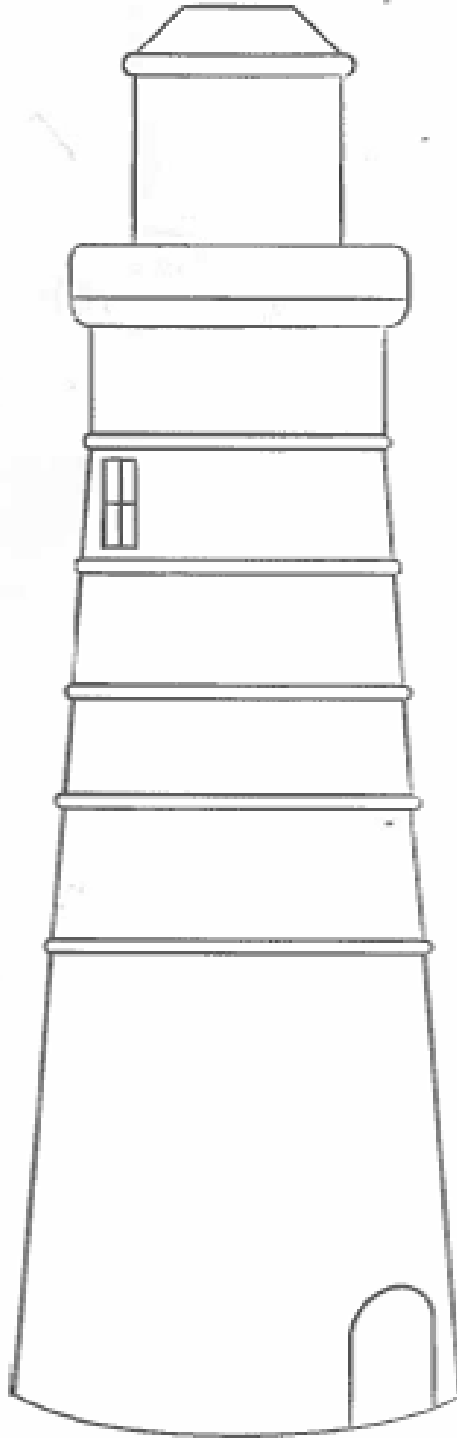

How many orcas can you spot on the lighthouses?

For more information about the lighthouse trail, visit www.lightthenorth.co.uk or download the app 'Light the North'.

In partnership with Bells Brae School

Once you have looked at all the lighthouses you can find, now it's time to create your own! Draw your design onto the lighthouse below. Don't forget to colour in!

For more information about the lighthouse trail, visit
www.lightthenorth.co.uk or download the app 'Light the North'.
