#### Communication

Our website <a href="https://blogs.glowscotland.org.uk/sh/bellsbraeprimary/">https://blogs.glowscotland.org.uk/sh/bellsbraeprimary/</a> is kept up to date and will provide you with a wide range of information. We strongly advise you to visit it regularly to see what is happening in school and for key information such as dates, letters, policies etc. There is an option to subscribe to the page for automatic updates.

Our Information Booklet is updated every December and is available from the school office and online at: <a href="https://blogs.glowscotland.org.uk/sh/bellsbraeprimary/for-parents/handbookforms/">https://blogs.glowscotland.org.uk/sh/bellsbraeprimary/for-parents/handbookforms/</a>

If for any reason you are unsure or unhappy about the service we are providing we urge you to get in touch with a member of school staff. We are keen to improve our service so want to hear direct from parents/carers of any issues or concerns. In this modern day it is very easy to comment or criticise on social media and often this can get out of hand and cause a huge amount of upset or stress. It also does not provide school staff with an opportunity to address issues. It is important that we all provide our young people with positive role models around the use of technology and social media.

## School Improvement Plan

Our Improvement Plan for session 2024-2025 and our Standards and Quality Report for last session are now complete and share our progress and priorities for improvement with you. They can be found on the school website https://blogs.glowscotland.org.uk/sh/bellsbraeprimary/for-parents/school-improvement-plan/

Yours sincerely

Julia McGinlay Head Teacher
