RELIGIOUS & MORAL

Look at Christian festivals such as Christmas
 and make comparison to festivals celebrated
 by other world religions

TECHNOLOGIES

Pupils will discuss how important
 it is to look after the different
 environments we will be studying.
 Food technology - cooking a
 variety of foods in connection
 with health topic

TOPIC

How different the climate in the
 Arctic and Antarctic is from the
 areas around the equator.
 The affect this has on people
 animals and plants and how they
 adapt to suit these environments.

HEALTH & WELLBEING

Food - food journeys from source
 to consumer.
 Weekly Buddying health activities
 looking at mental, emotional and
 social well being
 Relationships - continuing with
 circle of friends.

LITERACY & ENGLISHTalking and Listening

Christmas Play - practise and performance
 Circle Time

Reading

Daily reading activities such as reading to
 others, asking each other questions about
 the story.

"Book in a Bag" to promote enjoyment of
 reading

Writing

Looking at and creating our own different
 types of writing - poems, plays, stories.

Sound of The Week

Grammar - Understanding of a sentence

Using a dictionary

Speech Marks
